Western Municipal Water District Customers...

Outdoor Water Restrictions

are now in effect

WESTERN MUNICIPAL WATER DISTRICT

WATER USE IT WISELY

To help address changing water supply conditions and reliably meet customer demands during water shortages caused by droughts, supply reductions and emergency conditions, Western's board has adopted Water Conservation Stage 2, calling for water management actions including the following key measures:

- **No outdoor watering 8 am - 8 pm**
- **Odd number addresses irrigate only on Saturdays, Mondays and Wednesdays**
- **Even number addresses irrigate only on Sundays, Tuesdays and Thursdays**
