### EMWD to provide wetlands tour

Eastern Municipal Water District will provide a tour of its wetlands in San Jacinto at 8 a.m. Nov. 7.

The tours will be held the first Saturday of each month through May.

They offer a chance to view up to 120 species of birds, including the white-faced ibis, great egrets, and Canadian geese.

Tour guides Sherri Stange and Steve Adkison are members of the San Bernardino Valley Audubon Society.

The San Jacinto Valley Regional Water Reclamation Facility is at 770 N. Sanderson Ave. Reservations for the walk are not required.

For information, call 928-3777, Ext. 4226.
