To Whom It May Concern,

Subject: Stakeholder Advisory Group Meeting, West San Jacinto Groundwater Sustainability Agency Area

Dear Sir/Ma'am:

Eastern Municipal Water District (EMWD) staff will hold a meeting to provide an update of the West San Jacinto Groundwater Sustainability Agency (GSA) Groundwater Sustainability Plan (GSP) development. The West San Jacinto GSP will outline a course of action to accomplish groundwater sustainability over the 20-year plan implementation period. The West San Jacinto GSP will identify local undesirable results and define management actions to minimize undesirable results, as well as develop milestones to ensure progress towards sustainable management of the West San Jacinto GSA Area under the Sustainable Groundwater Management Act is achieved. For additional information, please see <https://www.emwd.org/sgma>. We invite you to attend and appreciate your continued participation during the development of the West San Jacinto GSP. The date/time and location of the meeting is shown below. Please contact us at your convenience at grayr@emwd.org or 951-928-3777 x4514 if you have any questions or concerns.

When: September 24, 2019, at 10:00 a.m. – 11:00 a.m.

Where: EMWD Community Room, 2270 Trumble Road, Perris, California, 92572

Sincerely,

Rachel M. Gray
Water Resources Planning Manager

Board of Directors
