Quality . Reliability . Value

QUALITY

Up to 100 tests a day are performed to ensure the quality and safety of EMWD tap water.

RELIABILITY

EMWD's safe and reliable water system enables you to drink straight from the tap.

VALUE

You can fill more than five one-gallon jugs with EMWD tap water for less than a penny.

For more information about the quality of your tap water, visit emwd.org/WaterQuality.
