**Subject: EMWD Construction Update Near Your Residence – Construction Resumes**

Dear Neighbor:

Eastern Municipal Water District (EMWD) would like to provide you with an update on a project near your residence in Moreno Valley.

In the Summer of 2021, EMWD began work on a groundwater well project along **Santiago Drive, between Nan Avenue and Patricia Street, at the City of Moreno Valley Corporate Yard**. This well is an important part of our Perris North Groundwater Program, which will help provide long-term water quality and supply benefits to the region. The project is split up into two phases: the well drilling phase and the well equipping phase, where the structure, piping, and motors needed to operate these wells is constructed. Crews successfully completed the well drilling phase in September 2021.

Beginning the week of March 4, 2024, crews will begin mobilizing to the site to begin the well equipping phase of this project. The community can expect the following:

- **Working hours: 7:00 a.m. to 5:00 p.m.**
  - o There will be an increase in noise, dust, and vibrations due to on-site construction work.
  
- **Concurrent Project: Perris North Pipeline – Phase II**
  - o This is an active pipeline project, which will connect to this well site.
  - o Work is currently taking place along Gentican Ave. then it will run south on Patricia St. and west on Santiago Ave. before connecting to this well site.

EMWD appreciates your patience and understanding as we work to complete this important project. As part of our commitment to our customers, EMWD will continue to keep you updated on the status of this work.

Should you have any questions or concerns, please contact me at 951-928-3777 ext. 4370, or at [ramireal@emwd.org](mailto:ramireal@emwd.org). You may also visit [www.emwd.org/perrisnorth](http://www.emwd.org/perrisnorth) to learn more.
