

IMPORTANT NOTICE:

UPCOMING

CONSTRUCTION IN

FRONT OF YOUR HOME

Project Name: Perris North Pipeline Project - Phase II

Project Details: The project consists of installing a total of approximately 18,300 linear feet of pipeline that will provide additional local water supply in the City of Moreno Valley.

Project Update: Work is set to begin at the intersection of Patricia Street and Gentian Avenue on Thursday, March 14th (weather-permitting). For approximately one month, crews will be working on the following:

- Pipeline installation and project activities at the intersection of Patricia Street and Gentian Avenue;
- Pipeline installation and project activities on Patricia Street from Gentian Avenue to Santiago Drive;
- Pipeline installation and project activities for a portion of Santiago Drive from Patricia Street to EMWD's future well site at the City of Moreno Valley Corporate Yard.

Please note: Final paving of the project alignment will occur when crews finish all project activities; estimated for Fall 2024.

See back side for more information →

Public Contact: Alma Ramirez, EMWD Public Affairs
