

FALL HAS ARRIVED

REDUCE YOUR WATERING DAYS!

SHORTER DAYS

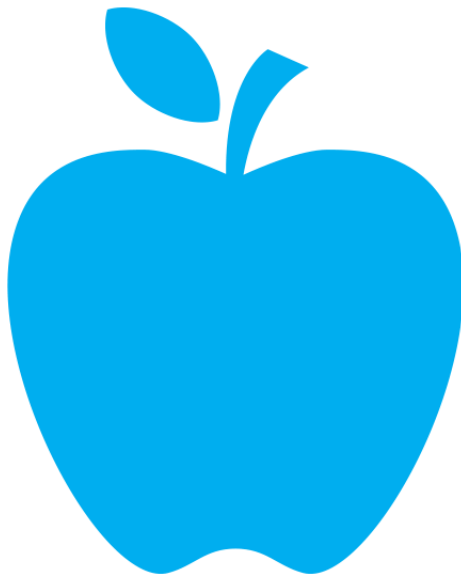

COOLER NIGHTS

DORMANT PLANTS

19
gallons of water are
required to grow
just one apple.

Imagine a Day Without Water
October 23, 2019 | #ValueWater

Imagine a Day Without Water is an opportunity to share why water is important to you, your business, and your community.

EMWD continues to invest in the future of your water supply so you don't have to imagine a day without water.
