Subject: EMWD Construction Near Your Residence

Dear Neighbor:

Eastern Municipal Water District (EMWD) is committed to being a good neighbor and keeping you informed about ongoing activity and construction in your area. For this reason, we want to make you aware of a project that will take place in your neighborhood.

In the coming weeks, EMWD will begin construction on a groundwater well along **Santiago Drive, between Nan Avenue and Patricia Street at the City of Moreno Valley Corporate Yard**. This well is an important part of our Perris North Groundwater Program, which will help provide long-term water quality and supply benefits to the region.

EMWD will install temporary, 24-foot-high sound walls around the project site. These temporary structures, along with sound and vibration monitors, are designed to limit noise and light from the work happening on-site.

In the coming weeks, the well drilling process will begin and requires **24-hour per day operations** to ensure the structural integrity of the groundwater well. The well drilling process will be completed in intervals, each lasting up to several weeks. The noise emitted from well drilling is similar in decibels to that of a running shower or low-level industrial hum.

Following the completion of drilling activities, EMWD will bid a second project to construct the piping and motors needed to operate the well. That activity will be limited to daytime only work.

EMWD is working closely with the City of Moreno Valley to keep community impacts to a minimum. During construction, traffic control will be in place with working hours from 7:00 a.m. to 5:00 p.m.

Board of Directors

Philip E. Paule, *President* | Randy A. Record, *Vice President* | Jeff Armstrong | Stephen J. Corona | David J. Slawson

EMWD asks that motorists please follow all traffic control measures to ensure the safety of our crews and the community. The anticipated completion date for this project is Fall 2021.

We appreciate your patience and understanding as we work to complete this important project. As part of our commitment to our customers, EMWD will keep you updated on the status of this work.

If you have any questions regarding the project, please contact me at 951-928-3777, ext. 4370, or by email at ramireal@emwd.org. You may also visit www.emwd.org/perrisnorth to sign-up for project notifications and to learn more.

Sincerely,

Alma Ramirez
Public Affairs Officer
