Subject: EMWD Construction Near Your Residence

Dear Neighbor:

Eastern Municipal Water District (EMWD) is committed to being a good neighbor and keeping you informed about ongoing activity and construction in your area. For this reason, we want to make you aware of a project that will take place in your neighborhood.

In the coming weeks, EMWD will begin construction on a groundwater well along **Los Cabos Drive, between Plaza Sonada Way and Iris Avenue at Victoriano Park**. This well is an important part of our Perris North Groundwater Program, which will help provide long-term water quality and supply benefits to the region.

EMWD will install temporary, 24-foot-high sound walls around the project site. These temporary structures, along with sound and vibration monitors, are designed to limit noise and light from the work happening on-site.

In early May 2021, the well drilling process will begin and requires **24-hour per day operations** to ensure the structural integrity of the groundwater well. The well drilling process is completed in two intervals, each lasting several weeks.

The noise emitted from well drilling is similar in decibels to that of a running shower or office conversation. Following the completion of drilling activities, EMWD will bid a second project to construct the piping and motors needed to operate the well. That activity will be limited to daytime only work.

During construction, traffic control is expected to be in place; daytime working hours are currently set at 7:00AM to 5:00PM, and are subject to change. EMWD is working closely with the City of Moreno Valley to keep community impacts to a minimum.

Board of Directors

EMWD asks that motorists please follow all traffic control measures in place to ensure the safety of our crews and the community. The anticipated completion date for this work is Fall 2021.

We appreciate your patience and understanding as we work to complete this important project. As part of our commitment to our customers, EMWD will keep you updated on the status of this work.

If you have any questions regarding the project, please contact me at 951-928-3777, ext. 4370, or by email at ramireal@emwd.org. You may also visit www.emwd.org/perrisnorth to learn more.

Sincerely,

Alma Ramirez
Public Affairs Officer
