Subject: EMWD Construction Update Near Your Residence

Dear Neighbor:

On behalf of Eastern Municipal Water District (EMWD), we would like to inform you that we have successfully completed well drilling activities near your residence in Moreno Valley.

EMWD began work on the groundwater well project along **Los Cabos Drive, between Plaza Sonada Way and Iris Avenue, at Victoriano Park** in April 2021. This well is an important part of our Perris North Groundwater Program, which will help provide long-term water quality and supply benefits to the region.

Following the completion of well drilling activities, crews will continue to work on-site to conduct testing of the wells and housekeeping items. As a reminder, EMWD will soon bid a second project to construct the structure, piping, and motors needed to operate these wells. EMWD will also restore landscaping in coordination with the City of Moreno Valley. That activity will be limited to daytime only work.

EMWD appreciates your patience and understanding as we work to complete this important project. As part of our commitment to our customers, EMWD will keep you updated on the status of this work.

Should you have any questions, please contact me at 951-928-3777 ext. 4370, or at ramireal@emwd.org. You may visit www.emwd.org/perrisnorth to sign up for e-notifications and learn more.

Sincerely,

Alma Ramirez
Public Affairs Officer
