Water troubles put Inland developments in limbo

January 24, 2008 – The Press Enterprise

By Jennifer Bowles

In a sign of mounting water woes, two more developers in western Riverside County have to worry whether they will have the basic essential of water for their projects. Eastern Municipal Water District officials, having already postponed a decision on whether they can supply water to seven developments, said Wednesday they cannot yet guarantee water to a proposed warehouse in Moreno Valley and a \$300 million hotel and retail complex in Murrieta....
