Subject: Notification of Urban Water Management Plan Update

Dear Mr. Achimore:

Eastern Municipal Water District (EMWD) is currently preparing an update to its Urban Water Management Plan (UWMP), which evaluates EMWD's water supplies and water use efficiency over a long-term planning horizon. An UWMP is required to be prepared by every urban water supplier (as defined in the California Water Code) and must be updated every five years for calendar years ending in zero (0) or five (5). The 2020 update is due to the California Department of Water Resources on July 1, 2021.

Prior to adoption of the 2020 UWMP, EMWD will be holding a public hearing to review the updated plan and to accept comments. EMWD will provide further notice once this hearing has been scheduled. A draft of the plan will be made available for review once it has been completed, and a final UWMP will be available to the public after it has been adopted.

Should you have any questions regarding the UWMP update process, please contact me by phone at (951) 928-3777 ext. 4512, or via email at ngg@emwd.org.

Subject: Notification of Urban Water Management Plan Update

Dear Mr. Ramaiya:

Eastern Municipal Water District (EMWD) is currently preparing an update to its Urban Water Management Plan (UWMP), which evaluates EMWD's water supplies and water use efficiency over a long-term planning horizon. An UWMP is required to be prepared by every urban water supplier (as defined in the California Water Code) and must be updated every five years for calendar years ending in zero (0) or five (5). The 2020 update is due to the California Department of Water Resources on July 1, 2021.

Prior to adoption of the 2020 UWMP, EMWD will be holding a public hearing to review the updated plan and to accept comments. EMWD will provide further notice once this hearing has been scheduled. A draft of the plan will be made available for review once it has been completed, and a final UWMP will be available to the public after it has been adopted.

Should you have any questions regarding the UWMP update process, please contact me by phone at (951) 928-3777 ext. 4512, or via email at nngg@emwd.org.
