SPECIFICATION NO. 1363W
ELLIS TANK INTERIOR RECOATING

BIDDING SHEETS

The Contractor shall construct the project under these Specifications all in conformance with the Contract Drawings listed in Section P and these Specifications.

The District reserves the right to:

A. Accept or reject any or all bids on this specification;
B. Award Contract to the lowest qualified bidder, based on the total bid price;
C. Waive any defects and informalities.

The District shall be the final authority with regard to whether a bid is responsive to the call for bids and to whether a bidder is a responsible bidder under the conditions of his bid, or for any reason.

The total contract price shall include all work, materials and equipment needed to complete the project as defined in the General Conditions, Section F. The bidder shall include costs for such other items in the most appropriate category (bid item).

BASIS OF AWARD: Additive Bid Item(s) Included in Total Bid Price.
Public Contract Code 20103.8(b) provides for basis of award as follows:

h) The lowest bid shall be the lowest total of the bid prices on the base contract and those additive or deductive items that were specifically identified in the bid solicitation as being used for the purpose of determining the lowest bid price.

Public Contract Code 20103.8 does not preclude the District from adding to or deducting any of the additive or deductive items after the lowest responsible bidder has been determined.
