PROPOSAL

The undersigned hereby declares, as Bidder, that the only persons or parties interested in this proposal as principals are those named herein; that no director or any other officer or employee of the Eastern Municipal Water District is in any manner interested directly or indirectly in this proposal or in the profits to be derived from the contract proposed to be taken; that this bid is made without any connection with any person or persons making a bid for the same purpose; that the bid is in all respects fair and without collusion or fraud; that he has read the Notice Inviting Bids (or Bidding Information) and the Instructions to Bidders and agrees to all the stipulations contained herein; that he proposes and agrees that if his bid as submitted in the attached sheets, be accepted he will contract in the form so approved and furnish the items called for in accordance with the provisions of said approved form of Agreement and the Specifications and to deliver the same within the time stipulated therein; and that he will accept in full payment therefore the prices named in said Bid Sheet.

The Bidder further agrees, that upon receipt of written notice of the acceptance of this proposal within 60 days after the day of opening bids (unless otherwise specified in the Notice Inviting Bids or Bidding Information) he will execute and return the Contract in accordance with the proposal as accepted and furnish the required bond(s) within SEVEN (7) days from the date of mailing the Notice of Acceptance of Proposal to him at his address given below, or within such time as allowed by the Engineer; and that upon his failure or refusal to do so within the said time, then the certified or cashier’s check or bond accompanying this bid shall become the property of and be retained by the Eastern Municipal Water District as liquidated damages for such failure or refusal, and shall be deposited with the Treasurer of said Eastern Municipal Water District as monies belonging to the Eastern Municipal Water District; provided, that if said Bidder shall execute the Contract and furnish the required bond within the time aforesaid, his check or bond shall be returned to him thereafter.

The Bidder further declares that the surety or sureties named in the attached sheet have agreed to furnish bond in form and amount set forth in the accompanying Notice Inviting Bids (or Bidding Information) and paragraph B-6 of the Instructions to Bidders, in the event contract is awarded on basis of this proposal.

</tbody>
</table>

FAR Section 52.209-8: Updates of Information Regarding Responsibility Matters.
(a) The Contractor shall update the information in the Federal Awardee Performance and Integrity Information System (FAPIIS) on a semi-annual basis, throughout the life of the contract, by entering the required information in the Central Contractor Registration database at http://www.ccr.gov (see 52.204-7).

(b)

(1) The Contractor will receive notification when the Government posts new information to the Contractor’s record.

(2) The Contractor will have an opportunity to post comments regarding information that has been posted by the Government. The comments will be retained as long as the associated information is retained, i.e., for a total period of 6 years. Contractor comments will remain a part of the record unless the contractor revises them.

(3) With the exception of the Contractor, only Government personnel and authorized users performing business on behalf of the Government will be able to view the Contractor’s record in the system. Public requests for system information will be handled under Freedom of Information Act procedures, including, where appropriate, procedures promulgated under E.O. 12600.

This FORM to be submitted at time of bid

00025.1 C-03.1
EASTERN MUNICIPAL WATER DISTRICT
SPECIFICATION NO. 1296S
QUAIL VALLEY SUBAREA 9, PHASE 1 SEWER

BIDDING SHEETS

The Contractor shall construct the project under these Specifications all in conformance with the Contract Drawings listed in Section P and these Specifications.

The District reserves the right to:

A. Accept or reject any or all bids on this specification;
B. Award Contract to the lowest qualified bidder, based on the total bid price;
C. Waive any defects and informalities.

The District shall be the final authority with regard to whether a bid is responsive to the call for bids and to whether a bidder is a responsible bidder under the conditions of his bid, or for any reason.

The total contract price shall include all work, materials and equipment needed to complete the project as defined in the General Conditions, Section F. The bidder shall include costs for such other items in the most appropriate category (bid item).

BID SCHEDULES
This project includes three bid schedules as follows:

Schedule A – Gravity Trunk Sewer in Future TR 36484 and at Goetz Road
Schedule B – Gravity Sewer and Laterals in Public Right-of-Way within Subarea 9, Phase 1 Area, and sewer easements, Gravity Replacement Sewer at Goetz Road, and Water Main at Fire Station easement
Schedule C – Onsite Lateral Service Connection and Septic Tank Abandonment

Bidders shall bid all three (3) schedules to be determined a responsive bidder. Award shall be made to the lowest qualified bidder based on the total bid price of all three (3) schedules and Additive Bid Item A1.
BASIS OF AWARD: Additive Bid Item(s) Included in Total Bid Price.
Public Contract Code 20103.8(b) provides for basis of award as follows:

b) The lowest bid shall be the lowest total of the bid prices on the base contract and those additive or deductive items that were specifically identified in the bid solicitation as being used for the purpose of determining the lowest bid price.

Public Contract Code 20103.8 does not preclude the District from adding to or deducting any of the additive or deductive items after the lowest responsible bidder has been determined.

Failure to provide a cost for the additive or deductive bid items may deem your bid non-responsive.

Estimator / Project Manager

Fine Grade, Asphalt Paving, Concrete Curbs-Gutter-Flatwork, Specialty Concrete, Grinding, Concrete Structures, Sewer, Water, Storm Drain, Sewer Lift Stations, General Engineering General Contractor.

Project Types: Public Works, Street Improvements, Site Development, Commercial Projects, Private Residential, Specialty.

Work experience

2005 – Present  Boudreau Pipeline, Corona, California

Chief Estimator
Wet Utilities, Sewer Lift Stations, General Engineering

• Complete take-offs and estimates for all wet utilities on various Private Residential and Commercial projects.
• Added structure crews to provide better customer service by eliminating large portion of our work that was being subcontracted and creating customer relation problems due too poor workmanship, productivity and scheduling conflicts. Also realized increased profits by completing in house.
• Complete take-offs and estimates for public works projects heavy in underground including developing subcontractors and vendors for the competitive bid process.
• Maintained yearly sales volume of 8 million to 17.8 million.
• Work with Field Operations Manager, Owner and Controller to determine manpower projections and equipment availability.
• Completed “MAP” Management System Program and participate in monthly “MAP” meetings and responsible for vital factor tracking for estimating.
• Work with owner to adapt and diversify estimating policies in order to compete in current economic downturn.
• Work with estimating staff and estimator to increase estimating productivity and ability to work with, download, print and track numerous electronic files for commercial projects.

Estimator / Project Manager / Stock Holder
Fine Grade, Structures, Masonry Walls, Concrete, Paving, General Engineering

• Hired to grow company beyond subcontractor status and diversify into General
Contractor completing all phases of grading, paving and concrete work while developing subcontractors and vendors.

- Oversaw multiple support staff, estimators and worked with majority owners leading to increased profits and created a well diversified General Contractor.
- Responsibilities included Public Works and Private Works estimating along with project management interfacing with both private customers, city engineers and inspectors.
- Primarily responsible for preparing bid proposals for public works projects.
- Prepare cost estimates for Asphalt Paving, Concrete, Grinding, Excavation, Earthwork and minor Storm Drain.
- Company has been able to develop and maintain yearly sales volume from 6 Million in 2001 to more then 20 Million in 2004.
- Prepare progress and final billings for all Public Works projects along with all DBE/MBE/DVBE paperwork required for federally funded projects.
- Prepare SWPPP and BMP’s for Agency and Department of Transportation Projects.
- Assisting in the management of all contracts received and developing procedures to track cost, extra work and billing. Including developing and implementing a daily job costing system which created daily usable job cost information to help decision making and coordination between estimating and field operations.
- Assisted in the development and starting of a second company that was non-union that completed masonry construction including the preparation of estimates for masonry walls and buildings. Hired an additional estimator with prior masonry experience to further advance potential profits.

1996 – 2001
All American Asphalt       Corona, California
Estimator / Project Manager
General Engineering, Fine Grade, Paving, Grinding, Concrete, Specialty Concrete

- Responsible for preparing bid proposals for public works projects for contract values of $ 100,000.00 to in excess of $ 15,000,000.00 interfacing with both private customers, city engineers and inspectors.
- Prepared cost estimates for Asphalt Paving, Concrete, Grinding, Excavation, Earthwork and minor Storm Drain.
- Maintained personal yearly sales volume from 25 to 45 million a year for the last three years while assisting in the management and construction of all contracts received.
- Prepared progress and final billings along with all DBE/MBE/DVBE paperwork required for federally funded projects.
- Prepared SWPPP and BMP’s for Agency and Department of Transportation Projects.

1993 – 1996
Silvia Construction Inc.       Rancho Cucamonga, CA
Estimator / Project Manager
General Engineering, Paving, Concrete, Structures, Storm Drain, Sewer

- Responsible for preparing bid proposals for public works projects for contract
values of $100,00.00 to in excess of $3,000,000.00 interfacing with both private customers, city engineers and inspectors.

- Prepared cost estimates for Asphalt Paving, Concrete, Grinding, Excavation, Earthwork, Sewer, Water and Storm Drain.
- Maintained personal yearly sales volume averaging 5 million a year while assisting in the management and construction of all contracts received.
- Prepared progress and final billings along with all DBE/MBE/DVBE paperwork required for federally funded projects.
- Maintained daily job costing of projects.
- Developed Underground construction division, completing storm drain, sewer and water construction in-house.
- Prepared SWPPP and BMP's for Agency and Department of Transportation Projects.

Estimator / Project Manager
Wet Utilities, General Engineering
- Responsible for preparing bid proposals for public works projects for contract values of $100,00.00 to in excess of $1,000,000.00 interfacing with both private customers, city engineers and inspectors.
- Prepared cost estimates for Asphalt Paving, Concrete, Excavation, Earthwork, Sewer, Water and Storm Drain.
- Responsible for developing proposals as a General Contractor. Company was primarily an underground subcontractor and wished to compete as a general contractor on smaller agency contracts.
- Prepared progress and final billings along with all DBE/MBE/DVBE paperwork required for federally funded projects.
- Prepared SWPPP and BMP's for Agency and Department of Transportation Projects.

1989 – 1991  Hillcrest Contracting  Corona, California
Estimator / Project Manager
Fine Grade, Paving, Concrete, General Engineering
- Responsible for preparing bid proposals for public works projects for contract values of $100,00.00 to in excess of $500,000.00 interfacing with both private customers, city engineers and inspectors.
- Prepared cost estimates for Asphalt Paving, Concrete, Excavation, and Earthwork.
- Prepared progress and final billings along with all DBE/MBE/DVBE paperwork required for federally funded projects.
- Maintained daily job costing of projects.
- Hired as a commercial estimator and later advanced into public works division as a project manager on larger public works projects and prepared estimates for smaller public works projects while assisting in the preparation and running of larger projects.
- Prepared SWPPP and BMP's for Agency and Department of Transportation
Projects.

1988 – 1989 Chavez Enterprises Riverside, California
Estimator
Fine Grade, Paving, Concrete
- Responsible for preparing bid proposals for private tract work and commercial developments as a paving and concrete subcontractor with subcontract values of $5,000.00 to in excess of $500,000.00.
- Prepared cost estimates for Asphalt Paving, Concrete, Excavation, and Earthwork.

Education

1981 – 1983 Pasadena City College Pasadena, California
- Received advanced instruction in Blue Print reading and computer skills and programming in basic.
- No Degree

1975 – 1979 Los Altos High School Hacienda Heights, CA
- Received general high school diploma
- Received advanced instruction in electronics 1976-1979

Certificates & Classes

- "MAP" Management Training – MAP
- 10 OSHA Safety Training – Safety Management Services
- Construction Safety for the Hispanic Labor Force- State Fund
- Prevention of Harassment, Discrimination, Retaliation – Supervisor Compliance Program
- Caltrans Partnering – District 07

Standout professional, offering 22 years of experience in the construction industry to an organization that will benefit from my knowledge of project management, quality control, superior communication, motivational, and technical skills. Exceptional history of project success through budget, personnel, and schedule management. Expert in excavation, trenching, and shoring applications. Trained and certified in multiple industry practices including competent person, confined space, hazardous waste operations and supervision, first aid, CPR, and traffic control.

Work Experience

Boudreau Pipeline Corporation, Corona, California
Project Manager 2016 to Current

2016 – Corona, California, Coordination of project schedules, budgets and other project requirements.
Monitoring of project schedule & budget.
Document Scope Changes and follow up with written Change Order requests as required.
Serve as the primary point of contact with the Client for project coordination and communication.
Provide guidance and oversight to other business partners as needed
Review of project deliverable to include drawings. Calculations and specifications, and permit applications
Plan and direct project meetings, technical reviews and progress updates, both internally and with the client.
Ensure proper closeout of project including transmittal of final documentation to client and filing of electronic and hard copies of project materials.

Demonstrate flexibility to effectively deal with changing priorities and timelines through analytical problem-solving. Proven time management and follow-through skills with the ability to work on multiple tasks with tight deadlines. Work independently and in a collaborative team-oriented environment. Display superior written and oral communication skills and employs effective listing skills. Display tactful, mature and professional demeanor with well-developed interpersonal skills including the ability to work with diverse personnel.
Emery and Sons Construction Group, Oregon  
General Superintendent  

2012-2016

2015-Astoria Oregon, “16th St CSO Separation Project” $6.5 million. Direct and control all operations related to the construction and completion of the project. Separation of storm water from sanitary sewer. Install of storm mainline, laterals, and structures by way of open cut, and slip line procedures. Reconstruct of roadways and intersections, upgrade of pedestrian ramps to ADA compliance. Project bid at 12% profit, and realized 21% upon completion.

2014-2015 Portland Metropolitan area, “Kenton Sewer Rehabilitation Project” $6.6 million. Direct and control all operations relating to the construction and completion of the project. Installation and pipeline rehabilitation using multiple methods such as, open cut, pipe bursting, and CIPP. Road reconstruction and rehabilitation including, milling and overlaying of asphaltic concrete, as well as, concrete roadway reconstruction. Completed on schedule and under budget.

2013-2014 Portland Metropolitan area, “Albina Pump Station Force Main CIPP Project” $420K. Direct and control all operations related to the construction and completion of the project. CIPP of existing force main, addition of vault(s), and structures. Completed on schedule and under budget.

2012-2013 Portland Metropolitan area, “Overlook Sewer Rehabilitation Project” $8.1 million. Direct and control all operations related to the implementation and completion of the project. Replacing and rehabilitating 20K+ linear feet of sewer using multiple different methods, such as, open cut, pilot tube/micro tunnel, and pipe bursting. Contract included $1.4 mil in change orders. Completed on time and under budget.

S-2 Contractors, Oregon  
Project Manager/Superintendent  

1994 - 2012

Started at entry-level and worked my way up to Project Manager/Superintendent/Share Holder.

2011-2012 Portland metropolitan area, responsible for managing various public works contracts to include storm sewer improvements and paving in Washington County, excavation and paving for the newly placed bridge on Dickie Prairie Rd. Mollala, Or. North Clackamas Revitalization Phase 3 for Clackamas County, and the Lancaster Dr. N.E. and Market St. N.E. street widening project.

2003-2011 Lake Havasu City, AZ, completed multiple citywide waste-water projects worth $25+ million a-year. Responsible for all operations including documentation, review and award of subcontracts, supervision of work force, equipment allocation, scheduling, quality control, inspection, monitoring safety compliance, and ensuring contract compliance. I was also invited by the Lake Havasu City representatives to help structure the acceleration of the later projects with desires to complete under the time and
budget initially allocated. It was successfully accomplished and recognized by the Construction Daily Journal as a feature for its successes.

1992-2003 Portland metropolitan area, involved in many differing public works projects varying in size from $250K – $4million. Projects included all aspects of construction including pipeline installation, structural concrete, boring, hazardous waste management and disposal, dewatering, and many other aspects of restoration including concrete, asphaltic concrete, and general site finish work.

**Knowledge & Expertise**

- Experience maintaining productive working relationships with government representatives. Able to quickly gain and retain respect through my communication and professional skills.
- Coordinate field activities of crews and subcontractors while reviewing contractor quotes and billings.
- 22 years experience and familiarity with city, state and federal requirements in all aspects of Public Works.
- Encourage workplace safety. Advanced knowledge of OSHA safety requirements on both a local and federal level.
- Construction - Materials, methods, and the tools involved in all phases of construction including but not limited to; infrastructure, underground utilities, site work, and structural.
- Design - Experienced reading blueprints, quantifying and tracking change order work, as well as, pricing and implementation of force account and design build work.
- Administration and Management - Business and management principles involved in strategic planning, resource allocation, human resources modeling, leadership technique, and coordination of people and resources.
- Demonstrated ability to successfully manage multifaceted projects from takeoff to completion, both on schedule and under budget.
- Supervised 90+ individuals and multiple subcontractors. Have learned how to motivate and manage in such a way that the job is accomplished in the most cost-effective and quality-conscious way.

**Relevant Training and Certifications**

- 40-Hour Hazardous Material Training and 16 Hour HAZWOPER Supervisor Training
- Competent Person Training, and Confined Space Training, CPR Certification, First Aid, Rigging Certification, Traffic Control Supervisor

**Education**

Central Oregon Community College, Bend, OR
Golden West Community College, Huntington Beach, CA

**Computer Systems**

FRANK DUDLEY
13501 FLINT DRIVE – NORTH TUSTIN CA 92705 - (951) 595-1877 - frank@boudreaupipeline.com

SUMMARY
An accomplished Project Manager/Estimator with more than 35 years of experience in General Engineering Construction. Proven ability to complete multimillion dollar projects on time and within budget. Exceptional knowledge within commercial and government sectors (Public Works projects). Able to oversee projects from inception through scope determination, budgeting, resource management, and through final completion. Adept at cost control, forecasting, analysis, and troubleshooting. Expertise in contract administration, negotiations, bid preparation, estimates, RFP's, and purchasing. Superior leadership, presentation, & communication skills. Hard working reliable Project Estimating.

ENVIRONMENT
• Contract & Invoice Management, Microsoft Office, Plotter (Engineering) Scanner, & Computer Ease
• WINMID PCS 2000, Hard Dollar, MS Project

EDUCATION
High Park High School – Stourbridge, West Midlands England - Graduated 1965 – General Education
Fouley University – Stourbridge, West Midlands England Graduated 1970 – Surveying/Construction Management

PROFESSIONAL EXPERIENCE
Boudreau Pipeline – Corona, CA
11/2014 to Present
Director of Project Management/Estimator
• High level of experience with working on varied projects as Estimator
• Superior proficiency in estimation preparation
• Strong experience in underground wet utilities
• Proficiency in PCS 2000 & MS Project Scheduling
• Reporting and tracking of projects
• Partakes in project hand-off & provides material list from take off's, coordinates material delivery, & material orders
• Obtains permits, plans, & bids from city's or clients
• Tracks production of crews
• Processes & creates bid proposals
• Attends, preconstruction meetings, bid meetings/openings
• Supervised Construction Department
• Special Projects Estimator (Public Works)
• Provide all relevant updates to Operations for projects at CWIP meetings

Sully Miller Contracting Company – Brea, CA
09/2012 – 10/2014
General Engineering/Estimating
• Estimated projects from 1 Million to 30 Million dollars for the company
• Prepared RFI's and prepared bid documents
• Ability to gather all information & provide take-offs
• Prepare preliminary schedules & assist in
• Ability to identify areas where savings can be obtained & provide Value Engineering options to Clients
• Assist with Pre-Construction functions & meetings
• Provide all relevant updates to Operations for projects at CWIP meetings
• Paving City Streets, shopping Malls, & Subdivisions

EBS General Engineering Inc. – Corona, CA
05/2010 – 10/2012
Project Manager
• Estimated all Public Works projects
• Conduct preconstruction meetings & assist with operations of projects
• Provide schedules & communications between client and operations
• Provided Engineering ideas to Clients
• Assist with Pre-Construction functions & meetings
• In charge of reviewing estimating plans for bidding
• Obtaining bids & contracting with grading, utilities and paving contractors
SRD Engineering Inc. – Anaheim, CA
03/2008 – 05/2010
Project Manager
- Managed multiple projects simultaneously
- Review plans site plans and make suggestions to production crews
- Provide schedules for projects using scheduling software which will be utilized & adhered to by the field, suppliers, & subcontractors
- Provided Engineering ideas to Clients
- Assist with Pre-Construction functions & meetings
- In charge of reviewing estimating plans for bidding
- Review plans/drawings & tracking permits & approvals on change orders
- Monitored schedules, within budget & prepared cost date & project production data & reports

Silvia Construction Inc. – Rancho Cucamonga, CA
03/2008 – 10/1996
General Engineering/Estimating
- Specialized in paving, paving preservation, and resurfacing
- Projected project revenue & cost financial forecasting to ensure goals are met
- Coordinate with team & project team groups to establish budgets
- Prepare project schedules
- Lead estimating efforts with estimators & superintendents to manage resources
- Establish & maintained working relationships with owners, agencies, subcontractors, & inspectors
- Provide all relevant updates to owner
- Managed company for 5 years (2002 – 2008)

In compliance with the provisions of Sec. 4100-4111, inclusive, of the Public Contract Code of the State of California, and any amendments thereof, each bidder shall set forth: the name, location of the place of business, license number, portion of the work which will be done by each subcontractor who will perform work or labor or render service to the Contractor in or about the construction of the work or improvement in an amount in excess of one-half of one percent (1/2 of 1%) of the Contractor's total bid. Each portion of Subcontracted work noted in the below table must be specific and contain all major activities associated with completion of the project, outside of the services provided by the bidding Contractor. Ambiguous and/or incomplete Subcontracted work information may deem the bid nonresponsive. Each subcontractor shall possess, both at the time the bid is submitted and at all times when work is performed, a valid contractor's license for the appropriate classification necessary to perform the work for which that subcontractor is listed.

BIDDER SHALL PROVIDE THE FOLLOWING INFORMATION:
Company Name, Business Address, Email Address, License No., Contractor Registration No., Subcontract Work, and % Of Total Bid

1 A DBE is a Disadvantaged, Minority, or Woman Business Enterprise that has been certified by an entity from which EPA accepts certifications as described in 40 CFR 33.204-33.205 or certified by EPA. EPA accepts certifications from entities that meet or exceed EPA certification standards as described in 40 CFR 33.202.

2 Subcontractor is defined as a company, firm, joint venture, or individual who enters into an agreement with a contractor to provide services pursuant to an EPA award of financial assistance.

**ATTACH PROOF OF DBE CERTIFICATION FROM ONE OF THE FOLLOWING:**

- US Environmental Protection Agency (l'SEPA)
- Small Business Administration(SBA)
- Department of Transportation's State implemented DBE Certification Program (with U.S. citizenship)
- Tribal, State and Local governments
- Independent private organization certification

**PROOF OF DBE CERTIFICATION MUST BE ATTACHED WITH THIS DOCUMENT AT TIME OF BID**

The public reporting and recordkeeping burden for this collection of information is estimated to average three (3) hours per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.

EPA FORM 6100-3 (DBE Subcontractor Performance Form)
Vendor Account Number: 165576
Mr. Jeffrey Johnson
Golden State Boring & Pipe Jacking, Inc.
7000 Merrill Ave. Box 40
Chino, CA 91710

Thank you for submitting your Vendor Application seeking Small Business Enterprise recognition with the Coalition of Southern California Public Agencies. Per our evaluation of the information you provided in your application and the North American Industry Classification System codes you identified, your status as a Small Business Enterprise (SBE) has been approved. This certification is recognized by the following organizations:

Metropolitan Water District of Southern California
Port of Long Beach
San Diego County Water Authority
Los Angeles Unified School District
Port of Los Angeles
Los Angeles Community College District

Metropolitan is pleased to issue this SBE Certificate subject to the terms and conditions identified below:

| NAICS code(s) for which SBE status is recognized: 237110, 237990 |
| SBE Certificate Effective Date: 05/04/15 |
| SBE Certificate Expiration Date: 05/04/19 |

Work performed by your firm that falls within the above mentioned NAICS code(s) will be counted as SBE participation for work performed on contracts procured by the above agencies.

The agencies reserve the right to withdraw this certification if at any time it is determined that certification was knowingly obtained by false, misleading or incorrect information and reserve the right to audit all statements. If any firm attempts to falsify or misrepresent information to obtain certification, the firm may be disqualified from participation in any contracts for a period of up to five years.

SBE Certification is valid for a period of three (3) years. To maintain SBE status, firms must update their existing SBE Vendor Application on or before the expiration date mentioned above. All information is subject to verification.

If there are any changes in your status that may impact your certification, you are required to update your account information online. A copy of your information can be viewed by logging into your Vendor Profile, and visiting the Small Business Certification tab.

Sincerely,
John J. Arena
Metropolitan Water District of Southern California

C6-1 00030 Contractors Licensing Statement
NON-COLLUSION DECLARATION

TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID

The undersigned declares:

I am the ___________ of __________.

the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or of any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on ________, at ________.

CALIFORNIA ALL-PURPOSE CERTIFICATE OF ACKNOWLEDGMENT

A notary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.

State of California
County of Riverside

On 2/16/17 before me, Marcela Macedo-Notary Public, personally appeared Alan Boudreau who proved to me on the basis of satisfactory evidence to be the person(s) whose name(s) are subscribed to the within instrument and acknowledged to me that he/she/they executed the same in his/her/their authorized capacity(ies), and that by his/her/their signature(s) on the instrument the person(s), or the entity upon behalf of which the person(s) acted, executed the instrument.

I certify under PENALTY OF PERJURY under the laws of the State of California that the foregoing paragraph is true and correct.

WITNESS my hand and official seal.

INSTRUCTIONS FOR COMPLETING THIS FORM

This form complies with current California statutes regarding notary wording and, if needed, should be completed and attached to the document. Acknowledgments from other states may be completed for documents being sent to that state so long as the wording does not require the California notary to violate California notary law.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of acknowledgment must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of acknowledgment.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. he/she/they... in law) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary public seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
- Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
- Indicate title or type of attached document, number of pages and date.
- Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document with a staple.
IRAN CONTRACTING ACT CERTIFICATION

Pursuant to the Iran Contract Act of 2010 (Public Contract Code 2200-2208), Vendors/Bidders are ineligible to bid on or submit a proposal for any contract with a public entity for goods or services of one million dollars ($1,000,000) or more if the Vendor/Bidder engages in investment activities in Iran.

MUST BE SUBMITTED WITH BID PROPOSAL IF BID AMOUNT IS $1,000,000 OR MORE

Prior to bidding on, submitting a proposal, or executing a contract or renewal for a public entity contract for goods or services of $1,000,000 or more, a vendor must either: a) certify it is not on the current list of persons engaged in investment activities in Iran created by the California Department of General Services ("DGS") pursuant to Public Contract Code section 2203(b) and is not a financial institution extending $20,000,000 or more in credit to another person, for 45 days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the current list of persons engaged in investment activities in Iran created by DGS; or b) demonstrate it has been exempted from the certification requirement for that solicitation or contract pursuant to Public Contract Code section 2203(c) or (d).

To comply with this requirement, please insert your vendor or financial institution name and Federal ID Number (if available) and complete one of the options below. Please note: California law establishes penalties for providing false certifications, including civil penalties equal to the greater of $250,000 or twice the amount of the contract for which the false certification was made, contract termination, and three-year ineligibility to bid on contracts. (Pub. Cont. Code § 2205.)

OPTION #1 - CERTIFICATION

I, the official named below, certify I am duly authorized to execute this certification on behalf of the vendor/financial institution identified below, and the vendor/financial institution identified below is not on the current list of persons engaged in investment activities in Iran created by DGS and is not a financial institution extending twenty million dollars ($20,000,000) or more in credit to another person/vendor, for 45 days or more, if that other person/vendor will use the credit to provide goods or services in the energy sector in Iran and is identified on the current list of persons engaged in investment activities in Iran created by DGS.

I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Cal/OSHA Form 300A (Rev. 7/2007)
Summary of Work-Related Injuries and Illnesses

All establishments covered by CCR Title 8 Section 14300 must complete this Annual Summary, even if no work-related injuries or illnesses occurred during the year. Remember to review the Log to verify that the entries are complete and accurate before completing this summary.

Using the Log, count the individual entries you made for each category. Then write the totals below, making sure you've added the entries from every page of the Log. If you had no cases, write "0."

Employees, former employees, and their representatives have the right to review the Cal/OSHA Form 300 in its entirety. They also have limited access to the Cal/OSHA Form 301 or its equivalent. See CCR Title 8 Section 14300.35, in Cal/OSHA’s recordkeeping rule, for further details on the access provisions for these forms.

KNOW ALL MEN BY THESE PRESENTS, that we

Boudreau Pipeline Corporation

(Here insert full name and address or legal title of Contractor)

463 N. Smith Ave., Corona, CA 92880 as Principal, hereinafter called the Principal, and

Fidelity and Deposit Company of Maryland; 1299 Zurich Way, Schaumburg, IL 60196

(Here insert full name and address or legal title of Surety)

a corporation duly organized under the laws of the State of Maryland as Surety, hereinafter called the Surety, are held and firmly bound unto Eastern Municipal Water District.

Obligee, hereinafter called the Obligee, in the sum of Ten Percent of Bid Amount Dollars (10% of Bid Amount ), for the payment of which sum well and truly to be made, the said Principal and the said Surety, bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally firmly by these presents.

WHEREAS, the Principal has submitted a bid, dated February 23rd, 2017, for Quail Valley Subarea 9 Phase 1 Sewer, 1296S

(Here insert full name, address and description of Project)

NOW, THEREFORE, if the Obligee shall accept the bid of the Principal and the Principal shall enter into a Contract with the Obligee in accordance with the terms of such bid, and give such bond or bonds as may be specified in the bidding of Contract Documents with good and sufficient surety for the faithful performance of such Contract and for the prompt payment of labor and material furnished in the prosecution thereof, or in the event of the failure of the Principal to enter such Contract and give such bond or bonds, if the Principal shall pay to the Obligee the difference not to exceed the penalty hereof between the amount specified in said bid and such larger amount for which the Obligee may in good faith contract with another party to perform the Work covered by said bid, then this obligation shall be null and void, otherwise to remain in full force and effect.

In the event suit is brought upon this Bond by Obligee and judgement is recovered, the Surety shall pay all costs incurred by Obligee in such suits to be fixed by the court.

Signed and sealed this 17th day of February, 2017

INSTRUCTIONS FOR COMPLETING THIS FORM

This form complies with current California statutes regarding notary wording and, if needed, should be completed and attached to the document. Acknowledgments from other states may be completed for documents being sent to that state so long as the wording does not require the California notary to violate California notary law.

- State and County information must be the State and County where the document signer(s) personally appeared before the notary public for acknowledgment.
- Date of notarization must be the date that the signer(s) personally appeared which must also be the same date the acknowledgment is completed.
- The notary public must print his or her name as it appears within his or her commission followed by a comma and then your title (notary public).
- Print the name(s) of document signer(s) who personally appear at the time of notarization.
- Indicate the correct singular or plural forms by crossing off incorrect forms (i.e. he/she/they is/were) or circling the correct forms. Failure to correctly indicate this information may lead to rejection of document recording.
- The notary seal impression must be clear and photographically reproducible. Impression must not cover text or lines. If seal impression smudges, re-seal if a sufficient area permits, otherwise complete a different acknowledgment form.
- Signature of the notary public must match the signature on file with the office of the county clerk.
  - Additional information is not required but could help to ensure this acknowledgment is not misused or attached to a different document.
  - Indicate title or type of attached document, number of pages and date.
  - Indicate the capacity claimed by the signer. If the claimed capacity is a corporate officer, indicate the title (i.e. CEO, CFO, Secretary).
- Securely attach this document to the signed document with a staple.
Anotary public or other officer completing this certificate verifies only the identity of the individual who signed the document to which this certificate is attached, and not the truthfulness, accuracy, or validity of that document.

ZURICH AMERICAN INSURANCE COMPANY
COLONIAL AMERICAN CASUALTY AND SURETY COMPANY
FIDELITY AND DEPOSIT COMPANY OF MARYLAND
POWER OF ATTORNEY

KNOW ALL MEN BY THESE PRESENTS: That the ZURICH AMERICAN INSURANCE COMPANY, a corporation of the State of New York, the COLONIAL AMERICAN CASUALTY AND SURETY COMPANY, a corporation of the State of Maryland, and the FIDELITY AND DEPOSIT COMPANY OF MARYLAND, a corporation of the State of Maryland (herein collectively called the "Companies"), by MICHAEL BOND, Vice President, in pursuance of authority granted by Article V, Section 8, of the By-Laws of said Companies, which are set forth on the reverse side hereof and are hereby certified to be in full force and effect on the date hereof, do hereby nominate, constitute, and appoint Larry D. COGDILL, Michael W. THOMAS, Brooke LAFRENZ, Gladys ROGERS and Audrey RODRIGUEZ, all of SAN DIEGO, California, EACH its true and lawful agent and Attorney-in-Fact, to make, execute, seal and deliver, for, and on its behalf, any and all bonds and undertakings, and the execution of such bonds or undertakings in pursuance of these presents, shall be as binding upon said Companies, as fully and amply, to all intents and purposes, as if they had been duly executed and acknowledged by the regularly elected officers of the ZURICH AMERICAN INSURANCE COMPANY at its office in New York, New York, the regularly elected officers of the COLONIAL AMERICAN CASUALTY AND SURETY COMPANY at its office in Owings Mills, Maryland, and the regularly elected officers of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND at its office in Owings Mills, Maryland, in their own proper persons.

The said Vice President does hereby certify that the extract set forth on the reverse side hereof is a true copy of Article V, Section 8, of the By-Laws of said Companies, and is now in force.

IN WITNESS WHEREOF, the said Vice-President has hereunto subscribed his/her names and affixed the Corporate Seals of the said ZURICH AMERICAN INSURANCE COMPANY, COLONIAL AMERICAN CASUALTY AND SURETY COMPANY, and FIDELITY AND DEPOSIT COMPANY OF MARYLAND, this 9th day of May, A.D. 2016.

ATTEST:

ZURICH AMERICAN INSURANCE COMPANY
COLONIAL AMERICAN CASUALTY AND SURETY COMPANY
FIDELITY AND DEPOSIT COMPANY OF MARYLAND

By: Eric D. Barnes
Secretary

Michael Bond
Vice President

State of Maryland
County of Baltimore

On this 9th day of May, A.D. 2016, before the subscriber, a Notary Public of the State of Maryland, duly commissioned and qualified, MICHAEL BOND, Vice President, and ERIC D. BARNES, Secretary, of the Companies, to me personally known to be the individuals and officers described in and who executed the preceding instrument, and acknowledged the execution of same, and being by me duly sworn, deposeseth and saith, that he/she is the said officer of the Company aforesaid, and that the seals affixed to the preceding instrument are the Corporate Seals of said Companies, and that the said Corporate Seals and the signature as such officer were duly affixed and subscribed to the said instrument by the authority and direction of the said Corporations.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed my Official Seal the day and year first above written.

Constance A. Dunn, Notary Public

EXTRACT FROM BY-LAWS OF THE COMPANIES

"Article V, Section 8, Attorneys-in-Fact. The Chief Executive Officer, the President, or any Executive Vice President or Vice President may, by written instrument under the attested corporate seal, appoint attorneys-in-fact with authority to execute bonds, policies, recognizances, stipulations, undertakings, or other like instruments on behalf of the Company, and may authorize any officer or any such attorney-in-fact to affix the corporate seal thereto; and may with or without cause modify or revoke any such appointment or authority at any time."

CERTIFICATE

I, the undersigned, Vice President of the ZURICH AMERICAN INSURANCE COMPANY, the COLONIAL AMERICAN CASUALTY AND SURETY COMPANY, and the FIDELITY AND DEPOSIT COMPANY OF MARYLAND, do hereby certify that the foregoing Power of Attorney is still in full force and effect on the date of this certificate; and I do further certify that Article V, Section 8, of the By-Laws of the Companies is still in force.

This Power of Attorney and Certificate may be signed by facsimile under and by authority of the following resolution of the Board of Directors of the ZURICH AMERICAN INSURANCE COMPANY at a meeting duly called and held on the 15th day of December 1998.

RESOLVED: "That the signature of the President or a Vice President and the attesting signature of a Secretary or an Assistant Secretary and the Seal of the Company may be affixed by facsimile on any Power of Attorney...Any such Power or any certificate thereof bearing such facsimile signature and seal shall be valid and binding on the Company."

This Power of Attorney and Certificate may be signed by facsimile under and by authority of the following resolution of the Board of Directors of the COLONIAL AMERICAN CASUALTY AND SURETY COMPANY at a meeting duly called and held on the 5th day of May, 1994, and the following resolution of the Board of Directors of the FIDELITY AND DEPOSIT COMPANY OF MARYLAND at a meeting duly called and held on the 10th day of May, 1990.

RESOLVED: "That the facsimile or mechanically reproduced seal of the company and facsimile or mechanically reproduced signature of any Vice-President, Secretary, or Assistant Secretary of the Company, whether made heretofore or hereafter, wherever appearing upon a certified copy of any power of attorney issued by the Company, shall be valid and binding upon the Company with the same force and effect as though manually affixed.

IN TESTIMONY WHEREOF, I have hereunto subscribed my name and affixed the corporate seals of the said Companies, this 12TH day of FEBRUARY, 2017.

Gerald F. Haley, Vice President
