# PROPOSAL PACKAGE INFORMATION SHEET

## SPECIFICATION NO. 1312S

**MV/PV/SJV RWRFS DISINFECTION SYSTEM CONVERSION**

### NOTICE TO BIDDERS:

The attached Proposal Package, when completed by you and returned to this District, constitutes your Bid on this specification. Please do not submit the bound copy of the specifications or addenda with your Bid.

The envelope enclosing the proposal **MUST** be sealed and addressed as follows:

**Regular or Express Mail**
- General Manager, EMWD
- Attention: Field Engineering Department
- P.O. Box 8300 / Perris, CA 92572-8300

**FedEx or Hand-Deliver**
- General Manager, EMWD
- Attention: Field Engineering Department
- 2270 Trumble Rd / Perris, CA 92570

The envelope **MUST** be plainly marked in the upper left hand corner with the name and address of the bidder, and bear the words:

- **Proposal For:**
  - (Specification No.)
  - (Name of Project)
  - (Date and Hour)

### SIGN, COMPLETE, AND SUBMIT THE FOLLOWING:

- **Proposal Sheet** (C3) *Signature required!*
- **Bidding Sheets & Total Bid Price - Unit Price Written In Words, Equipment/Materials List (BS)**
- **Bidder’s Experience Record & Resumes of Key Personnel (BR)**
- **Subcontractors List (C5)**
- **Public Works Contractor Registration Extracts (C22) Attach extracts of Bidder & Subs listed on C-5 Designation of Subcontractors form. Go to: [https://efiling.dir.ca.gov/PWCR/Search](https://efiling.dir.ca.gov/PWCR/Search)**
- **Contractor’s Licensing Statement (C5)**
- **Non-collusion Declaration (C7)**
- **Iran Contracting Act Certification (C13) (required if bid is over $1 million)**
- **Cal Osha Form 300A (C16)**
- **Contractor’s Cal Osha Compliance History and SIC Code (C17)**
- **Original Bid Bond (BB)**
  - *Bid Bond to be signed By You And Your Surety Company—Surety Seal required. Notary Acknowledgement required for Surety and Contractor*

---

**PLEASE COMPLETE & SIGN ALL REQUIRED AREAS. SUBMIT AND ATTACH ANY ADDITIONAL DOCUMENTATION WHICH CONSTITUTES YOUR BID**

**FAILURE TO COMPLETE THIS PROPOSAL PACKAGE MAY RENDER YOUR BID “NON-RESPONSIVE”**

*Please Remove This Information Sheet Prior to Submitting Your Bid*
PROPOSAL

The undersigned hereby declares, as Bidder, that the only persons or parties interested in this proposal as principals are those named herein; that no director or any other officer or employee of the Eastern Municipal Water District is in any manner interested directly or indirectly in this proposal or in the profits to be derived from the contract proposed to be taken; that this bid is made without any connection with any person or persons making a bid for the same purpose; that the bid is in all respects fair and without collusion or fraud; that he has read the Notice Inviting Bids (or Bidding Information), Insurance Requirements and the Instructions to Bidders and agrees to all the stipulations contained herein; that he proposes and agrees that if his bid as submitted in the attached sheets, be accepted he will contract in the form so approved and furnish all items called for in accordance with the provisions of said approved form of Agreement, Insurance Requirements and the Specifications and to deliver the same within the time stipulated therein; and that he will accept in full payment therefore the prices named in said Bid Sheet.

The Bidder further agrees, that upon receipt of written notice of the acceptance of this proposal within 60 days after the day of opening bids (unless otherwise specified in the Notice Inviting Bids or Bidding Information) he will execute and return the Contract in accordance with the proposal as accepted and furnish the required bond(s) within SEVEN (7) days from the date of mailing the Notice of Acceptance of Proposal to him at his address given below, or within such time as allowed by the Engineer; and that upon his failure or refusal to do so within the said time, then the certified or cashier's check or bond accompanying this bid shall become the property of and be retained by the Eastern Municipal Water District as liquidated damages for such failure or refusal, and shall be deposited with the Treasurer of said Eastern Municipal Water District as monies belonging to the Eastern Municipal Water District; provided, that if said Bidder shall execute the Contract and furnish the required bond within the time aforesaid, his check or bond shall be returned to him thereafter.

The Bidder further declares that the surety or sureties named in the attached sheet have agreed to furnish bond in form and amount set forth in the accompanying Notice Inviting Bids (or Bidding Information) and paragraph B-6 of the Instructions to Bidders, in the event contract is awarded on basis of this proposal.

Company: Myers and Sons Construction, LP

Address: 4600 Northgate Blvd, Suite 100, Sacramento, CA 95843 Date: 7/10/17

C3-1 00024 Proposal (7 day)
EASTERN MUNICIPAL WATER DISTRICT
SPECIFICATION NO. 13125
MV/PV/SJV RWRF5 DISINFECTION SYSTEM CONVERSION

BIDDING SHEETS

The Contractor shall construct the project under these Specifications all in conformance with the Contract Drawings listed in Section P and these Specifications.

The District reserves the right to:

A. Accept or reject any or all bids on this specification;
B. Award Contract to the lowest qualified bidder, based on the total bid price;
C. Waive any defects and informalities.

The District shall be the final authority with regard to whether a bid is responsive to the call for bids and to whether a bidder is a responsible bidder under the conditions of his bid, or for any reason.

The total contract price shall include all work, materials and equipment needed to complete the project as defined in the General Conditions, Section F. The bidder shall include costs for such other items in the most appropriate category (bid item).

TO BE INSTALLED:

The District will furnish the following item(s) to be installed by the Contractor:

*None*

The Contractor shall pick up all furnished items at the District yard. Furnished items will be loaded onto the Contractor's truck by the District.

BIDDER'S 10-YEAR EXPERIENCE RECORD &
RESUMES OF KEY PERSONNEL

All bidders must provide a detailed 10-year experience record showing successful completion, as a General Contractor, Class A of at least 3 similar projects within the last 10 years as follows:

A. Contract Type - Public Works
B. Disinfection chemical feed systems at either a publically owned wastewater or water facility treating 5 MGD or greater flow

Additionally, bidders must include resumes of key personnel proposed to work on this project when submitting your bid. This information will be critical in meeting requirements as a responsible bidder.

Failure to submit any of the above-mentioned information with your bid "may" deem your bid non-responsive
RESUMES OF KEY PERSONNEL
(ATTACH HERE)
ENRIQUE ALONZO  
Project Superintendent

Years of Experience  
20 (<1, 20 with others)

Education  
B.S., Civil Engineering, California State University Long Beach

Summary of Qualifications  
Mr. Alonzo brings 20 years of heavy civil construction experience with a focus on water related projects and infrastructure for both public and private clients. Enrique is a dynamic team member that leverages his field experience and leadership skills to drive excellence in project delivery for clients. He brings a collaborative approach to his teams as well as strong organizational and planning skills as well as a commitment to quality. In his current role as construction superintendent, he manages multi-million dollar project budgets, Quality Assurance programs, construction management, project scheduling and planning, and subcontractor supervision.

Previous Project Experience

• **Eastern Municipal Water District, Recycled Water Pond Pump Station & Pipelines – Perris, CA; $4M:** Project Manager – built and installed two Recycled Water Pond Pump Stations and associated pipelines, one with an operating capacity of 4,000 gpm with a total of three (3) vertical turbine pumps and the other with an operating capacity of 5,000 gpm and a total of two (2) vertical turbine pumps.

• **East Valley Water District, Plant 134 Upgrade & Expansion – Highland, CA; $8M:** Project Manager – responsible for the successful construction and installation of the following new Public Works systems: 8 MGD capacity submerged membrane filtration system, chemical storage and feed systems, pump station upgrades, emergency generator system, fire project and security systems.

• **Orange County Public Works, Los Alamitos Pump Station – Los Alamitos, CA; $22M:** Construction Manager – responsible for construction and installation of four vertical turbine pumps with a capacity of 200 CFS per pump that were powered by four (4) Waukesha Gas Powered engines.

• **Orange County Sanitation District, P2-66 Headworks Replacement – Orange County, CA; $197M:** Civil Manager – directed all civil related work ($40M) as part of a major rehabilitation project of the Orange County Sanitation District’s Headworks Facility. Demonstrated strong project management and leadership skills by overseeing subcontractors scheduling/planning, estimating, budgeting, purchasing, invoicing, safety,
change orders, submittals, RFI's.

- **Orange County Sanitation District, Various Projects – Multiple Locations Orange County, CA; $21M**: Superintendent – provided quality field supervision, scheduling/planning, updating/submitting monthly project schedule/billings, purchasing, submittals/RFI's, change orders, safety.

- **Orange County Sanitation District, Advanced Wastewater Treatment Facility – Huntington Beach, CA; $22M**: Project Engineer – responsible for ensuring on time and on budget completion of the project by leading field supervision activities, scheduling/planning, updating/submitting monthly project schedules/billings, purchasing, submittals/RFIs, change orders, safety and furnishing lift and formwork drawings as needed.

- **Exposition LRT Phase 2 – Los Angeles, CA; $4M**: Project Manager – while with his former firm, served as a subconsultant to the Joint Venture team responsible for this design-build light rail project running from Los Angeles to Santa Monica. Responsible for managing the relocation of Southern California Edison conduit/ductbanks along with electrical vertical vaults at Colorado Street from 4th Street to 10th Street in the City of Santa Monica.

- **Metropolitan Water District, Pressure Control Structure – City of Nuevo, CA; $28M**: Field Engineer – collaborated with the project manager to make sure daily field, safety, financial and other key operations functioned seamlessly.

- **METROPOLITAN WATER DISTRICT – Glendora, CA**: Engineering Aide I – in this role, contributed to the development and implementation of the Maintenance Management System resulting in improved quality assurance, data entry and on-site inventory accuracy.
STEVEN SCHAEFER  
Project Superintendent

Years of Experience  
23 (1 with Myers, 22 with others)

Education  
High School Diploma, Tehachapi, California 1988

Training and Certifications  
- 30 Hour OSHA  
- STS Certified, Safety Trained Supervisor  
- CPR/First Aid  
- Competent person training in: Confirmed Space, Lock-Out/Tag-Out, Fall Protection, Trenching and Excavations  
- PBS (People Based Safety)  
- SST I, II & III  
- FMI Leadership Academy  
- P3/P5/P6 (Primavera)  
- Last Planner  
- NCSCER – Core Training – Trainer  
- SAP Training  
- MS Office (Word, Excel, PowerPoint, Access)  
- Work Place Harassment Training  
- Crisis Management/Conflict Resolution

Summary of Qualifications  
Steven Schaefer brings 23 years of hands-on experience in civil construction with an emphasis in large treatment facilities and related project types. Beginning as a carpenter laborer, Steven has built up his expertise through years of field experience, determination and hard work. He has been promoted up through the ranks from carpenter, field engineer, estimator, to his current position as civil and mechanical superintendent. Serving in this role for the past 10 years, he has worked on projects with a total dollar value of $400M.

Part of his success comes from his dedication to understanding the needs of the client and translates that to delivering successful projects. Further, he has a strong focus on safety and leads by example by engaging his project teams in regular safety meetings and updates to help maintain an accident free project. His track record demonstrates his ability to complete projects safely, on time and on budget.
Project Experience

- **Los Angeles World Airport Second Level Roadway Reconstruction – Los Angeles, CA; $80M.** Element Manager/Canopies – responsible for the installation of the new canopies throughout the project limits in the central terminal area. This Construction Manager at Risk (CMAR) project includes roadway and bridge reconstruction, vertical and electrical components, all required to be completed within an active international airport (LAX), requiring extensive owner and third-party coordination, as well as traffic and pedestrian control using the CALM System. The bridge reconstruction component includes bridge jacking and removal/replacement of hinge concrete, bearing pads, and bridge joints at over 40 locations. Also included is over 550,000 square feet of polyester concrete overlay, barrier rail replacement/modification at 78 locations, deck drainage retrofits, and re-striping traffic lanes for the entire departure level.

- **City of Los Angeles Terminal Island – Long Beach, CA; $10M.** As Superintendent, Steve's duties included oversight of the installation of flocculation equipment, stainless steel gates, NPW systems, fiberglass grating, including new platforms, shaft support columns, electrical and control systems and various concrete activities. The Project will provide for installation of three (3) new City furnished blowers, two Model STC GO (66-SV-GL400) 27,000 SCFM capacity and one Model STC GO (80-SV-GL500) 35,000 SCFM capacity air blowers by Siemens for aeration distribution systems, motor control center, aeration single air headers to 9 aeration basins (AB’s) and 1 air header to channels, instrumentation (flow meters, dissolve oxygen (DO) meters, control valves (10), installation of new City furnished Aeration Grids and integration with the existing air distribution systems, tie-in with existing foul air intake chamber and all associated piping, electrical, and instrumentation as shown on contract documents. The Electrical system upgrade consists of replacement of three (3) existing 4160 V Synchronous motor starters with three (3) new 4160 V motor soft start starters with Power factor correction capacitors. The electrical system upgrade will include replacement of existing 480 V MCC’s and associated wiring with new MCCs and wiring.

Previous Project Experience with Other Firms

- **City of San Diego, Miramar Contract B – San Diego, CA; $51M.** Civil/Mechanical Superintendent – oversight of the installation of flocculation equipment, stainless steel gates, 4" NPW systems, fiberglass grating, including new platforms, shaft support columns, electrical and control systems and various concrete activities. He was responsible for preparing the information needed for weekly reports on production costs and time cards for monthly reports and materials billing. He developed and implemented Last Planner through constraint planning and look ahead schedules and Weekly Work Plans (WWP). He measured progress on production and planned percent complete and was responsible for conducting daily and weekly safety gang box meetings to help promote and maintain an accident free working environment. (4/2008 – 9/2009)

- **City of San Diego, Otay Mesa Treatment Plant Upgrades – Chula Vista, CA; $24M.** Civil/Mechanical Superintendent – in this role Steven had oversight of the installation of flocculation equipment, stainless super scrapers, 3" NPW systems, redwood diffuser walls & completion of all concrete activities. He was responsible for preparing the information needed for weekly reports on production costs and time cards for monthly reports and materials billing. Steven created and implemented Last Planner through constraint planning and look ahead schedules and Weekly Work Plans (WWP). He measured progress on production and planned percent complete. Steven was also responsible for conducting daily

*Myers & Sons Construction, LP*
and weekly safety gang box meetings to help promote and maintain an accident free working environment for everyone. This plant services one of the three major water service areas, providing 34 MGD of potable water to customers primarily in the southern reaches of the city. Phase I included construction of a new flocculation and sedimentation basin with three stages of flocculation, a sludge removal system and plate settlers. Sixteen existing dual media gravity filters were rehabilitated by providing a newly pumped backwash system and filter-to-waste system. The team also replaced the underdrain, media, and the surface wash system. Phase II included construction of a new chlorine dioxide contactor with a rapid mixer accompanied by a chlorine dioxide generator and feed system. This also included a new powder activated carbon feed system, with chemical and sampling modifications. The project received the 2010 ABC Excellence in Construction Award modifications. (9/2009 – 1/2011)

- **City of Riverside, Riverside Quality Control Plant – Riverside, CA; $200M.** Civil/Mechanical Superintendent – in this role, Steven was responsible for managing the procurement and materials information necessary for preparing the weekly reports on production costs, time cards and monthly materials billing. He created and implemented Last Planner through constraint planning, look ahead schedules and Weekly Work Plans (WWP) and measured progress on production and planned percent complete. Steven was also responsible for conducting daily and weekly safety gang box meetings to help promote and maintain an accident free working environment for everyone. The project converted an existing traditional facility to a 26 MGD membrane bioreactor facility. The construction included a new storm water equalization basin, new clarifiers, conversion of secondary clarifiers to an MBR basin and ancillary facilities. Also included was a retrofit of an existing activated train and included repair and replacement of existing clarifier mechanisms and upgrading of electrical generators. (7/2012 – 2/2015)

- **City of San Diego, Miramar Contract A – San Diego, CA; $83.4M.** Civil Superintendent responsible for oversight of construction on the filter, ozone and chlorine buildings. Formwork used on the project was Doka and Jahn-A system. In order to meet the water demands of the City of San Diego and surrounding areas, WSCI constructed an upgrade and expansion to the existing Miramar Water Treatment Plant. The expansion increased the plant’s capacity from 140MGD to 215MGD. Construction included the overflow/rapid mix/splitter box facilities, pre-ozonation/de-aeration facilities, ozone facilities, twelve-high rate filters, bulk chemical storage area, chemical feed building, chlorine building, administration building, main switchgear building, clearwell and modification of the existing flocculation/sedimentation facilities. WSCI self-performed all excavation, backfill, structural concrete and steel, process equipment and piping, yard piping, plumbing, HVAC, coatings, architectural trades and electrical/instrumentation. This project received a 2008 ABC Excellence in Construction Award. Steven was responsible for the procurement of tools and material needed, weekly reports on production cost and time cards, monthly reports on billing of materials. He created and implemented Last Planner through constraint planning, look ahead schedules, and Weekly Work Plans (WWP). Measured progress on production and planned percent complete activities. He was also responsible for conducting daily and weekly safety gang box meetings and maintain an accident free working environment. (6/2003 – 5/2006)

- **City of Fresno, Fresno Treatment Plant – Fresno, CA; $40M.** Formwork Carpenter – daily responsibilities included building cast-in-place concrete slabs and walls. Formwork on the

- **Clark County Water Reclamation District, Central Plant South Secondary – Las Vegas, NV; $36M.** Carpenter Foreman/Field Engineer – responsible for all of the layout for and construction of four clarifiers and Splitter box. His responsibilities also included all of the final road survey and layouts around the project with the use of a total station. Formwork used on the project was Symons Radius and Hunnebeck forms. Responsible for conducting daily and weekly safety gang box meetings and maintain an accident free working environment. (12/2001 – 6/2002)

- **Clark County Water Reclamation District, Bar Screen Facility – Las Vegas, NV; $30M.** Carpenter Foreman – responsible for the construction of the grit basin and conducting daily and weekly safety gang box meetings to maintain an accident free working environment. Formwork used on the project included Hunnebeck and Jahn-A systems.

- **South Bay Treatment Plant – San Ysidro, CA; $30M.** Carpenter Foreman – responsible for the construction of the sedimentation basin and various other components of site work. Formwork used on the project included Symons handset, Jahn-A and Alluma systems. (6/1995 – 7/1996)

- **Corona Treatment Plant – Corona, CA; $25M.** Carpenter Foreman/Field Engineer – responsible for the construction of the oxidation basin and headworks as well as all of the layouts for roads. Formwork used on this project included Symons Handset, Symons Radius and Jahn-A systems. (7/1996 – 2/1998)

- **Eastern Municipal Water District, Perris Tertiary Treatment Plant – Perris, CA; $24M.** Civil Superintendent responsible for design and procurement of formwork, tools and materials needed for weekly reports on production cost and time cards, and monthly reports on billing of materials. Formwork utilized Alluma and Jahn-A system. He created and implemented Last Planner through constraint planning, look ahead schedules, and Weekly Work Plans (WWP). Measured progress on production and planned percent complete activities. Oversaw the construction of chlorine contact basin, pump station, 2 concrete ponds and installation of various metals. He was also responsible for conducting daily and weekly safety gang box meetings and maintain an accident free working environment. (5/2007 – 4/2008)

- **RP-1 & RP-4 – Ontario, CA; $20M. Civil Superintendent** – provided oversight of construction on two pump stations, chlorine basin, splitter box and installation of pre-stressed double T concrete panels. Steven was responsible for procurement of tools and material needed, weekly reports on production cost and time cards, monthly reports on billing of materials. Formwork utilized Symons Handset, Jahn-A system and Hunnebeck forms. Responsible for conducting daily and weekly safety gang box meetings and maintain an accident free working environment. (6/2002 – 6/2003)

- **San Elio Treatment Plant – Cardiff, CA; $15M.** Carpenter Foreman/Field Engineer – responsible for the construction of the chlorine contact basin, splitter box and filter structure and all layouts for structures and roads. Formwork used on this project included Symons Handset and Jahn-A systems. Steven was also responsible for conducting daily and weekly safety gang box meetings to maintain an accident free work environment. (2/1998 – 6/1998)

Project Description

Myers & Sons Construction, LP was awarded this project by the Linda County Water District (District). The District was in the process of converting this existing Olivehurst facility into a regional plant which included this additional treatment plant work and a separate pipeline contract that would bring additional wastewater from the city of Marysville, CA. The treatment plant work consisted of structural concrete infrastructure work including construction of a new digester, chemical splitter structure and a chlorine contact basin. Included in Myers scope of work were mechanical and electrical modifications to the existing digester control building and chemical storage building. Construction activities and integration were done while the facility was in full operation and included minimal shutdowns.

Phase II work also included the construction of a new effluent monitoring building which houses new mechanical and electrical equipment. Infrastructure work included construction o’ over 1000 linear feet of 30“ diameter outfall pipeline and required selective site demolition, heavy civil earthwork including site grading and piping, and various site and facility improvements.

Major Challenges – Connection of new structures and pipelines were all completed in and around a functional wastewater treatment plant servicing a community of 3 million gallons a day of waste. Shutdowns were restricted to maximum 8hour period.

Value-Added/Innovation – Providing a seal coat on A/C pavement vs slurry coat saved money and improved lifespan on the pavement coating.

MBE/WBE/SBE/DBE Participation (goals vs. actual and specific methods for engaging these groups on project) – There wasn’t a DBE required. We did subcontract SBE and DBE companies for a total of 1% of contract amount

Safety – No lost time incidents reported on this project.

Community Engagement – Completion of this project will open the door for new housing construction capacity in the community

Project Description

Myers & Sons Construction, LP (Myers) was selected by Vallejo Sanitation and Flood Control District as the prime contractor for this Wastewater Treatment Plant project which includes the rehabilitation of existing chemical storage and feed facilities, installation of eleven new chemical feed pumps, improvements at the Chlorine Contact Tank B Flow Split Structure, new electrical and instrumentation, new process piping and significant structural concrete improvements.

The project also includes an extensive rehabilitation of the electrical/instrumentation required for the chemical feed pump system. This work includes new electrical equipment installed in the existing chemical building MCC room, including new motor control center CBMCC, new power, control and signal conductors and cable.

In a separate project Myers completed work within the Headworks that consisted of the installation of three horizontal chopper centrifugal pumps to replace three existing horizontal screw centrifugal pumps, demolition of existing and construction of new pump pads, modification of existing suction and discharge piping, new electrical cable and conduit, and variable frequency drive testing. The waterworks division team collaborated with Vallejo Sanitation and Flood Control District staff to develop and implement a work phasing and staging plan that mitigated impacts to ongoing plant operations. Large portable standby diesel driven pumps were provided for this project.

LIST OF DESIGNATED SUBCONTRACTORS

SPEC #: 1312S

PROJECT TITLE: MV/PV/SIV/RWRFS Disinfection System Conversion

NAME OF CONTRACTOR: Myers and Sons Construction, LP

In compliance with the provisions of Sec. 4100-4111, inclusive, of the Public Contract Code of the State of California, and any amendments thereof, each bidder shall set forth: the name, location of the place of business, license number, portion of the work which will be done by each subcontractor who will perform work or labor or render service to the Contractor in or about the construction of the work or improvement in an amount in excess of one-half of one percent (1/2 of 1%) of the Contractor's total bid. Each portion of Subcontracted work noted in the below table must be specific and contain all major activities associated with completion of the project, outside of the services provided by the bidding Contractor. Ambiguous and/or incomplete Subcontracted work information may deem the bid nonresponsive. Each subcontractor shall possess, both at the time the bid is submitted and at all times when work is performed, a valid contractor's license for the appropriate classification necessary to perform the work for which that subcontractor is listed.

BIDDER SHALL PROVIDE THE FOLLOWING INFORMATION:
Company Name, Business Address, Email Address, License No., Contractor Registration No., Subcontract Work, and % Of Total Bid

PUBLIC WORKS CONTRACTOR REGISTRATION
(Pursuant to SB 854)

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

Pursuant to Section 1771.1 of the Labor Code, no contractor or subcontractor shall be qualified to bid on, be listed in a bid proposal pursuant to Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work unless currently registered to perform public work pursuant to Section 1725.5 of the Labor Code. It shall not be a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Sections 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

BIDDERS AND THEIR SUBCONTRACTORS (listed on the Designation of Subcontractors List C-05) are to provide an extract (pdf) at time of bid showing active registration from the Public Works Contractor Registration online registration at https://efiling.dir.ca.gov/PWCR/Search

NON-COLLUSION DECLARATION
TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID

The undersigned declares:

I am the President of Myers and Sons Construction, LP, the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or of any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on 7/10/2017 [date], at Sacramento [city], California [state].

Signed: 

Name: Clinton Myers, President
(Print Name Here)

C7-1 00032 Non-Collusion Declaration
**IRAN CONTRACTING ACT CERTIFICATION**

Pursuant to the Iran Contract Act of 2010 (Public Contract Code 2200-2208), Vendors/Bidders are ineligible to bid on or submit a proposal for any contract with a public entity for goods or services of one million dollars ($1,000,000) or more if the Vendor/Bidder engages in investment activities in Iran.

**MUST BE SUBMITTED WITH BID PROPOSAL IF BID AMOUNT IS $1,000,000 OR MORE**

Prior to bidding on, submitting a proposal, or executing a contract or renewal for a public entity contract for goods or services of $1,000,000 or more, a vendor must either: a) certify it is **not** on the current list of persons engaged in investment activities in Iran created by the California Department of General Services ("DGS") pursuant to Public Contract Code section 2203(b) and is not a financial institution extending $20,000,000 or more in credit to another person, for 45 days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the current list of persons engaged in investment activities in Iran created by DGS; or b) demonstrate it has been exempted from the certification requirement for that solicitation or contract pursuant to Public Contract Code section 2203(c) or (d).

To comply with this requirement, please insert your vendor or financial institution name and Federal ID Number (if available) and complete one of the options below. Please note: California law establishes penalties for providing false certifications, including civil penalties equal to the greater of $250,000 or twice the amount of the contract for which the false certification was made, contract termination, and three-year ineligibility to bid on contracts. (Pub. Cont. Code § 2205.)

**OPTION #1 - CERTIFICATION**

I, the official named below, certify I am duly authorized to execute this certification on behalf of the vendor/financial institution identified below, and the vendor/financial institution identified below is **not** on the current list of persons engaged in investment activities in Iran created by DGS and is not a financial institution extending twenty million dollars ($20,000,000) or more in credit to another person/vendor, for 45 days or more, if that other person/vendor will use the credit to provide goods or services in the energy sector in Iran and is identified on the current list of persons engaged in investment activities in Iran created by DGS.

I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

**OPTION #2 – EXEMPTION**

Pursuant to Public Contract Code sections 2203(c) and (d), a public entity may permit a vendor/financial institution engaged in investment activities in Iran, on a case-by-case basis, to be eligible for, or to bid on, submit a proposal for, or enters into or renews, a contract for goods and services.

If you have obtained an exemption from the certification requirement under the Iran Contracting Act, please fill out the information below, and attach documentation, demonstrating the exemption approval.

OSHA's Form 300A (Rev 01/2004)

Summary of Work-Related Injuries and Illnesses

All establishments covered by Part 1904 must complete this Summary page, even if no work-related injuries or illnesses occurred during the year. Remember to review the Log to verify that the entries are complete and accurate before completing this summary. Using the Log, count the individual entries you made for each category. Then write the totals below, making sure you have added the entries from every page of the Log. If you had no cases, write "0."

Employees, former employees, and their representatives have the right to review the OSHA Form 300 in its entirety. They also have limited access to the OSHA Form 300A or its equivalent. See 29 CFR Part 1904.35, in OSHA's recordkeeping rule, for further details on the access provisions for these forms.

Public reporting burden for the collection of information is estimated to average 30 minutes per response, including time to review the instructions, search for and gather the data needed, and complete and review the collection of information. Persons are not required to respond to the collection of information unless it displays a currently valid OMB control number. If you have any comments about this burden estimate or any other aspect of this data collection, contact: OSHA Office of Standards, 200 Constitution Avenue, NW, Washington, DC 20210. Do not send the completed form to this office.
C-17 Contractor’s Cal/OSHA Compliance History and SIC Code
THIS DOCUMENT IS TO BE SUBMITTED WITH THE PROPOSAL PACKAGE AT TIME OF BID

Bid Date: 7/10/2017  Contractor’s Standard Industry Code: 1629

Specification No. 1312S  Project Name: MV/PV/SJV RWRFS Disinfection System Conversion
Contractor name: Myers and Sons Construction
Contractor Address: 4600 Northgate Ave., Suite 100, Sacramento, CA 95834
Contractor License No. 944155  Phone No: 916-283-9950
Contact Person: Clinton Myers

Please answer the following questions:

1. Has the Contractor been cited by Cal/OSHA or any regulatory agency for a violation related to safety or environmental issues within the past seven (7) years? No ☐  Yes ☒
   See Attached
   If yes, please attach all documentation specific to each violation and what actions have been taken to ensure that there is not a repeat violation.

2. Has the Contractor had a fatality or serious incident per Cal/OSHA on a jobsite within the past ten (10) years? No ☐  Yes ☒
   See Attached
   If yes, please attach all documentation specific to each violation and what actions have been taken to ensure that there is not a repeat violation.

I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

Domestic Return Receipt
CITATION AND NOTIFICATION OF PENALTY

To:
Meyers and Sons Construction
and its successors
4600 Northgate Blvd.
Sacramento, CA 95834

Inspection Site:
Butte River Bridge Hwy 99
Chico, CA 95926

Inspection #: 1010308
Inspection Date(s): 11/25/2014 - 02/26/2015
Issuance Date: 02/27/2015
CSHO ID: B1662
Optional Report #: 015-15
Reporting ID: 0950623

The violation(s) described in this Citation and Notification of Penalty is (are) alleged to have occurred or about the day(s) the inspection was made, unless otherwise indicated within the description given below.

This Citation and Notification of Penalty (hereinafter Citation) is being issued in accordance with California Labor Code Section 6317 for violations that were found during the inspection/investigation. This Citation or a copy must be prominently posted upon receipt by the employer at or near the location of each violation until the violative condition is corrected or for three working days, whichever is longer. Violations of Title 8 of the California Code of Regulations or of the California Labor Code may result in some instances in prosecution for a misdemeanor.

YOU HAVE A RIGHT to contest this Citation and Notification of Penalty by filing an appeal with the Occupational Safety and Health Appeals Board. To initiate your appeal, you must contact the Appeals Board, in writing or by telephone, within 15 working days from the date of receipt of this Citation. If you miss the 15 working day deadline to appeal, the Citation and Notification of Penalty becomes a final order of the Appeals Board, not subject to review by any court or agency.

Informal Conference - You may request an informal conference with the manager of the district office which issued the Citation within 10 working days after receipt of the Citation. However, if the citation is appealed, you may request an informal conference at any time prior to the day of the hearing. Employers are encouraged to schedule a conference at the earliest possible time to assure an expeditious resolution of any issues. At the informal conference, you may discuss the existence of the alleged violation, classification of the violation, abatement date or proposed penalty.
Be sure to bring to the conference any and all supporting documentation of existing conditions as well as any abatement steps taken thus far. If conditions warrant, we can enter into an agreement which resolves this matter without litigation or contest.

**APPEAL RIGHTS**

The Occupational Safety and Health Appeals Board (Appeals Board) consists of three members appointed by the Governor. The Appeals Board is a separate entity from the Division of Occupational Safety and Health (Division) and employs experienced attorneys as administrative law judges to hear appeals fairly and impartially. To initiate an appeal from a Citation and Notification of Penalty, you must contact the Appeals Board, in writing or by telephone, within 15 working days from the date of receipt of a Citation. After you have initiated your appeal, you must then file a completed appeal form with the Appeals Board, at the address listed below, for each contested citation. Failure to file a completed appeal form with the Appeals Board may result in dismissal of the appeal. Appeal forms are available from district offices of the Division, or from the Appeals Board:

Occupational Safety and Health Appeals Board  
2520 Venture Oaks Way, Suite 300  
Sacramento, CA 95833  
Telephone: (916) 274-5751 or (877) 252-1987  
Fax: (916) 274-5785

If the Citation you are appealing alleges more than one item, you must specify on the appeal form which items you are appealing. You must also attach to the appeal form a legible copy of the Citation you are appealing. In addition, please send a copy of Page 1 of this Citation and Notification of Penalty, the cover sheet.

Among the specific grounds for an appeal are the following: the safety order was not violated, the classification of the alleged violation (e.g., serious, repeat, willful) is incorrect, the abatement requirements are unreasonable or the proposed penalty is unreasonable.

**Important:** You must notify the Appeals Board, not the Division, of your intent to appeal within 15 working days from the date of receipt of the Citation. Otherwise, the Citation and Notification of Penalty becomes a final order of the Appeals Board not subject to review by any court or agency. An informal conference with the Division does not constitute an appeal and does not stay the 15 working day appeal period. If you have any questions concerning your appeal rights, call the Appeals Board, at (916) 274-5751 or (877) 252-1987.
PENALTY PAYMENT OPTIONS

Penalties are due within 15 working days of receipt of this Citation and Notification of Penalty unless contested. If you are appealing any item of the citation, remittance is still due on all items that are not appealed. Enclosed for your use is a Penalty Remittance Form for payment.

If you are paying electronically, please have the Penalty Remittance Form on-hand when you are ready to make your payment. The company name, inspection number, and Citation number(s) will be required in order to ensure that the payment is accurately posted to your account. Please go to www.dir.ca.gov/dosh/CalOSHA_PaymentOption.html to access the secure payment processing site. Additionally, you must also mail the Penalty Remittance Form to the address below.

If you are paying by check, return one copy of the Citation, along with the Notice of Proposed Penalties Sheet and the Penalty Remittance Form and mail to:

Department of Industrial Relations
Cashier, Accounting Office
P. O. Box 420603
San Francisco, CA 94142-0603

CAL/OSHA does not agree to any restrictions, conditions or endorsements put on any check or money order for less than the full amount due, and will cash the check or money order as if these restrictions, conditions, or endorsements do not exist.

NOTIFICATION OF CORRECTIVE ACTION

For violations which you do not contest, you should notify the Division of Occupational Safety and Health promptly by letter that you have taken appropriate corrective action within the time frame set forth on this Citation and Notification of Penalty. Please inform the district office listed on the Citation by submitting the Cal/OSHA 160 and/or 161 forms with the abatement steps you have taken and the date the violation was abated, together with adequate supporting documentation, e.g., drawings or photographs of corrected conditions, purchase/work orders related to abatement actions, air sampling results, etc. The adjusted penalty for serious and general violations has already been reduced by 50% on the presumption that the employer will correct the violations by the abatement date. If the Cal/OSHA 161 is not received in the district office within 10 days following the abatement date, the abatement credit is revoked, causing the penalty to double.

Note: Return the Cal/OSHA 160/161 forms to the district office listed on the Citation and as shown below:

Division of Occupational Safety and Health
Redding District Office
381 Hemsted Drive
Redding, CA 96002
Telephone: (530) 224-4743
Fax: (530) 224-4747

See pages 1 through 4 of this Citation and Notification of Penalty for information on employer and employee rights and responsibilities.

Citation and Notification of Penalty Page 3 of 8 Cal/CSHA-2 Rev 12/2014
EMPLOYEE RIGHTS

Employer Discrimination Unlawful - The law prohibits discrimination by an employer against an employee for filing a complaint or for exercising any rights under Labor Code Section 6310 or 6311. An employee who believes that he/she has been discriminated against may file a complaint no later than six (6) months after the discrimination occurred with the Division of Labor Standards Enforcement.

Employee Appeals - An employee or authorized employee’s representative may, within 15 working days of the issuance of a citation, special order, or order to take special action, appeal to the Occupational Safety and Health Appeals Board the reasonableness of the period of time fixed by the Division of Occupational Safety and Health (Division) for abatement. An employee appeal may be filed with the Appeals Board or with the Division. No particular format is necessary to initiate the appeal, but the notice of appeal must be in writing.

If an Employee Appeal is filed with the Division, the Division shall note on the face of the document the date of receipt, include any envelope or other proof of the date of mailing, and promptly transmit the document to the Appeals Board. The Division shall, no later than 10 working days from receipt of the Employee Appeal, file with the Appeals Board and serve on each party a clear and concise statement of the reasons why the abatement period prescribed by it is reasonable.

Employee Appeal forms are available from the Appeals Board, or from a district office of the Division.

Employees Participation In Informal Conference - Affected employees or their representatives may notify the District Manager that they wish to attend the informal conference. If the employer objects, a separate informal conference will be held.

DISABILITY ACCOMMODATION

Disability accommodation is available upon request. Any person with a disability requiring an accommodation, auxiliary aid or service, or a modification of policies or procedures to ensure effective communication and access to the programs of the Division of Occupational Safety and Health, should contact the Disability Accommodation Coordinator at the local district office or the Statewide Disability Accommodation Coordinator at 1-866-326-1616 (toll free). The Statewide Coordinator can also be reached through the California Relay Service, by dialing 711 or 1-800-735-2929 (TTY) or 1-800-855-3000 (TTY - Spanish).

Accommodations can include modifications of policies or procedures or provision of auxiliary aids or services. Accommodations include, but are not limited to, an Assistive Listening System (ALS), a Computer-Aided Transcription System or Communication Access Realtime Translation (CART), a sign-language interpreter, documents in Braille, large print or on computer disk, and audio cassette recording. Accommodation requests should be made as soon as possible. Requests for an ALS or CART should be made no later than five (5) days before the hearing or conference.
Citation and Notification of Penalty

Company Name: Meyers and Sons Construction
Establishment D.B.A.: and its successors
Inspection Site: Butte River Bridge Hwy 99
Chico, CA 95926

Optional Report #: 035-15  
Reporting ID: 0950641

The violation(s) described in this Citation and Notification of Penalty is (are) alleged to have occurred on or about the day(s) the inspection was made unless otherwise indicated within the description given below.

This Citation and Notification of Penalty (hereinafter Citation) is being issued in accordance with California Labor Code Section 6317 for violations that were found during the inspection/ investigation. This Citation or a copy must be prominently posted upon receipt by the employer at or near the location of each violation until the violative condition is corrected or for three working days, whichever is longer. Violations of Title 8 of the California Code of Regulations or of the California Labor Code may result in some instances in prosecution for a misdemeanor.

YOU HAVE A RIGHT to contest this Citation and Notification of Penalty by filing an appeal with the Occupational Safety and Health Appeals Board. To initiate your appeal, you must contact the Appeals Board, in writing or by telephone, within 15 working days from the date of receipt of this Citation. If you miss the 15 working day deadline to appeal, the Citation and Notification of Penalty becomes a final order of the Appeals Board, not subject to review by any court or agency.

Informal Conference - You may request an informal conference with the manager of the district office which issued the Citation within 10 working days after receipt of the Citation. However, if the citation is appealed, you may request an informal conference at any time prior to the day of the hearing. Employers are encouraged to schedule a conference at the earliest possible time to assure an expeditious resolution of any issues. At the informal conference, you may discuss the existence of the alleged violation, classification of the violation, abatement date or proposed penalty.

Be sure to bring to the conference any and all supporting documentation of existing conditions as well as any abatement steps taken thus far. If conditions warrant, we can enter into an agreement which resolves this matter without litigation or contest.
APPEAL RIGHTS

The Occupational Safety and Health Appeals Board (Appeals Board) consists of three members appointed by the Governor. The Appeals Board is a separate entity from the Division of Occupational Safety and Health (Division) and employs experienced attorneys as administrative law judges to hear appeals fairly and impartially. To initiate an appeal from a Citation and Notification of Penalty, you must contact the Appeals Board, in writing or by telephone, within 15 working days from the date of receipt of a Citation. After you have initiated your appeal, you must then file a completed appeal form with the Appeals Board, at the address listed below, for each contested citation. Failure to file a completed appeal form with the Appeals Board may result in dismissal of the appeal. Appeal forms are available from district offices of the Division, or from the Appeals Board:

Occupational Safety and Health Appeals Board
2520 Venture Oaks Way, Suite 300
Sacramento, CA 95833
Telephone: (916) 274-5751 or (877) 252-1987
Fax: (916) 274-5785

If the Citation you are appealing alleges more than one item, you must specify on the appeal form which items you are appealing. You must also attach to the appeal form a legible copy of the Citation you are appealing. In addition, please send a copy of Page 1 of this Citation and Notification of Penalty, the cover sheet.

Among the specific grounds for an appeal are the following: the safety order was not violated, the classification of the alleged violation (e.g., serious, repeat, willful) is incorrect, the abatement requirements are unreasonable or the proposed penalty is unreasonable.

Important: You must notify the Appeals Board, not the Division, of your intent to appeal within 15 working days from the date of receipt of the Citation. Otherwise, the Citation and Notification of Penalty becomes a final order of the Appeals Board not subject to review by any court or agency. An informal conference with the Division does not constitute an appeal and does not stay the 15 working day appeal period. If you have any questions concerning your appeal rights, call the Appeals Board, at (916) 274-5751 or (877) 252-1987.
PENALTY PAYMENT OPTIONS

Penalties are due within 15 working days of receipt of this Citation and Notification of Penalty unless contested. If you are appealing any item of the citation, remittance is still due on all items that are not appealed. Enclosed for your use is a Penalty Remittance Form for payment.

If you are paying electronically, please have the Penalty Remittance Form on-hand when you are ready to make your payment. The company name, inspection number, and Citation number(s) will be required in order to ensure that the payment is accurately posted to your account. Please go to www.dir.ca.gov/dosh/CalOSHA_PaymentOption.html to access the secure payment processing site. Additionally, you must also mail the Penalty Remittance Form to the address below.

If you are paying by check, return one copy of the Citation, along with the Notice of Proposed Penalties Sheet and the Penalty Remittance Form and mail to:

Department of Industrial Relations
Cashier, Accounting Office
P. O. Box 420603
San Francisco, CA 94142-0603

CAL/OSHA does not agree to any restrictions, conditions or endorsements put on any check or money order for less than the full amount due, and will cash the check or money order as if these restrictions, conditions, or endorsements do not exist.

NOTIFICATION OF CORRECTIVE ACTION

For violations which you do not contest, you should notify the Division of Occupational Safety and Health promptly by letter that you have taken appropriate corrective action within the time frame set forth on this Citation and Notification of Penalty. Please inform the district office listed on the Citation by submitting the Cal/OSHA 160 form with the abatement steps you have taken and the date the violation was abated, together with adequate supporting documentation, e.g., drawings or photographs of corrected conditions, purchase/work orders related to abatement actions, air sampling results, etc. The adjusted penalty for general violations has already been reduced by 50% on the presumption that the employer will correct the violations by the abatement date. The adjusted penalty for serious violations, if any, has already been reduced by 50% because abatement of those violations has been completed.

Note: Return the Cal/OSHA 160 form to the district office listed on the Citation and as shown below:

Division of Occupational Safety and Health
Los Angeles District Office
320 West 4th Street, Room 670
Los Angeles, CA 90013
Telephone: (213) 576-7451
Fax: (213) 576-7461
EMPLOYEE RIGHTS

Employer Discrimination Unlawful - The law prohibits discrimination by an employer against an employee for filing a complaint or for exercising any rights under Labor Code Section 6310 or 6311. An employee who believes that he/she has been discriminated against may file a complaint no later than six (6) months after the discrimination occurred with the Division of Labor Standards Enforcement.

Employee Appeals - An employee or authorized employee's representative may, within 15 working days of the issuance of a citation, special order, or order to take special action, appeal to the Occupational Safety and Health Appeals Board the reasonableness of the period of time fixed by the Division of Occupational Safety and Health (Division) for abatement. An employee appeal may be filed with the Appeals Board or with the Division. No particular format is necessary to initiate the appeal, but the notice of appeal must be in writing.

If an Employee Appeal is filed with the Division, the Division shall note on the face of the document the date of receipt, include any envelope or other proof of the date of mailing, and promptly transmit the document to the Appeals Board. The Division shall, no later than 10 working days from receipt of the Employee Appeal, file with the Appeals Board and serve on each party a clear and concise statement of the reasons why the abatement period prescribed by it is reasonable.

Employee Appeal Forms are available from the Appeals Board, or from a district office of the Division.

Employees Participation in Informal Conference - Affected employees or their representatives may notify the District Manager that they wish to attend the informal conference. If the employer objects, a separate informal conference will be held.

DISABILITY ACCOMMODATION

Disability accommodation is available upon request. Any person with a disability requiring an accommodation, auxiliary aid or service, or a modification of policies or procedures to ensure effective communication and access to the programs of the Division of Occupational Safety and Health, should contact the Disability Accommodation Coordinator at the local district office or the Statewide Disability Accommodation Coordinator at 1-866-326-1616 (toll free). The Statewide Coordinator can also be reached through the California Relay Service, by dialing 711 or 1-800-735-2929 (TTY) or 1-800-855-3000 (TTY - Spanish).

Accommodations can include modifications of policies or procedures or provision of auxiliary aids or services. Accommodations include, but are not limited to, an Assistive Listening System (ALS), a Computer-Aided Transcription System or Communication Access Realtime Translation (CART), a sign-language interpreter, documents in Braille, large print or on computer disk, and audio cassette recording. Accommodation requests should be made as soon as possible. Requests for an ALS or CART should be made no later than five (5) days before the hearing or conference.

Citation and Notification of Penalty

Company Name: Myers & Sons Construction and J. Banicki Construction Inc.  
Establishment DBA: Myers-Banicki A Sterling Construction Company Joint Venture and its successors  
Inspection Site: LAX Terminal 6, 1 World Way  
Los Angeles, CA 90045

Citation 1 Item 1  Type of Violation: Serious Accident Related

3650(i)(12): (12) Operators shall look in the direction of travel and shall not move a vehicle until certain that all persons are in the clear.

Violation

Prior to and during the course of the inspection, including, but not limited to January 12, 2015, forklift operators failed to look in the direction of travel and moved forklifts without making certain that all persons were in the clear.

Instance 1:

On January 12, 2015, an employee acting as a flagger sustained serious injuries when he was run over by a Caterpillar forklift (equipment #26-013) as it was being backed up at Los Angeles International Airport. The forklift operator failed to look in the direction of travel and failed to make certain all persons were in the clear while backing up the forklift. The forklift operator lost sight of his flagger but continued to back up until he ran over his flagger.

Corrected During Inspection

Date By Which Violation Must be Abated: Corrected During Inspection  
Proposed Penalty: $14400.00

Robert L. Raney, Senior Vice President

State of Connecticut
City of Hartford ss.

On this the ______ day of ______ , 2016, before me personally appeared Robert L. Raney, who acknowledged himself to be the Senior Vice President of Farmington Casualty Company, Fidelity and Guaranty Insurance Company, Fidelity and Guaranty Insurance Underwriters, Inc., St. Paul Fire and Marine Insurance Company, St. Paul Guardian Insurance Company, St. Paul Mercury Insurance Company, Travelers Casualty and Surety Company, Travelers Casualty and Surety Company of America, and United States Fidelity and Guaranty Company, and that he, as such, being authorized so to do, executed the foregoing instrument for the purposes therein contained by signing on behalf of the corporations by himself as a duly authorized officer.

In Witness Whereof, I hereunto set my hand and official seal.
My Commission expires the 30th day of June, 2021.

______________________________
(Notary Public)

58440-5-16 Printed in U.S.A.
This Power of Attorney is granted under and by the authority of the following resolutions adopted by the Boards of Directors of Farmington Casualty Company, Fidelity and Guaranty Insurance Company, Fidelity and Guaranty Insurance Underwriters, Inc., St. Paul Fire and Marine Insurance Company, St. Paul Guardian Insurance Company, St. Paul Mercury Insurance Company, Travelers Casualty and Surety Company, Travelers Casualty and Surety Company of America, and United States Fidelity and Guaranty Company, which resolutions are now in full force and effect, reading as follows:

RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President, any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary may appoint Attorneys-in-Fact and Agents to act for and on behalf of the Company and may give such appointee such authority as his or her certificate of authority may prescribe to sign with the Company's name and seal with the Company's seal bonds, recognizances, contracts of indemnity, and other writings obligatory in the nature of a bond, recognizance, or conditional undertaking, and any of such officers or the Board of Directors at any time may remove such appointee and revoke the power given him or her; and it is

FURTHER RESOLVED, that the Chairman, the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President may delegate all or any part of the foregoing authority to one or more officers or employees of this Company, provided that each such delegation is in writing and a copy thereof is filed in the office of the Secretary; and it is

FURTHER RESOLVED, that any bond, recognizance, contract of indemnity, or writing obligatory in the nature of a bond, recognizance, or conditional undertaking shall be valid and binding upon the Company when (a) signed by the President, any Vice Chairman, any Executive Vice President, any Senior Vice President or any Vice President, any Second Vice President, the Treasurer, any Assistant Treasurer, the Corporate Secretary or any Assistant Secretary and duly attested and sealed with the Company's seal by a Secretary or Assistant Secretary or (b) duly executed (under seal, if required) by one or more Attorneys-in-Fact and Agents pursuant to the power prescribed in his or her certificate or their certificates of authority or by one or more Company officers pursuant to a written delegation of authority; and it is

FURTHER RESOLVED, that the signature of each of the following officers: President, any Executive Vice President, any Senior Vice President, any Vice President, any Assistant Vice President, any Secretary, any Assistant Secretary, and the seal of the Company may be affixed by facsimile to any Power of Attorney or to any certificate relating thereto appointing Resident Vice Presidents, Resident Assistant Secretaries or Attorneys-in-Fact for purposes only of executing and attesting bonds and undertakings and other writings obligatory in the nature thereof, and any such Power of Attorney or certificate bearing such facsimile signature or facsimile seal shall be valid and binding upon the Company and any such power so executed and certified by such facsimile signature and facsimile seal shall be valid and binding on the Company in the future with respect to any bond or understanding to which it is attached.

I, Kevin E. Hughes, the undersigned, Assistant Secretary, of Farmington Casualty Company, Fidelity and Guaranty Insurance Company, Fidelity and Guaranty Insurance Underwriters, Inc., St. Paul Fire and Marine Insurance Company, St. Paul Guardian Insurance Company, St. Paul Mercury Insurance Company, Travelers Casualty and Surety Company, Travelers Casualty and Surety Company of America, and United States Fidelity and Guaranty Company do hereby certify that the above and foregoing is a true and correct copy of the Power of Attorney executed by said Companies, which is in full force and effect and has not been revoked.

IN TESTIMONY WHEREOF, I have hereunto set my hand and affixed the seals of said Companies this 3rd day of July 2017.
