The Contractor, subcontractors and tiered subcontractors are responsible for complying with all applicable federal and state laws, rules, guidelines, regulations and requirements of the Agreement between the District and the Department of the Interior, Bureau of Reclamation (USBR), in accordance with the Agricultural Water Conservation and Efficiency Grants Program. These requirements are incorporated within the Specifications and the Agreement between the District and Contractor and its subcontractors, which may be amended as required. Reference contract document Section SSC1 – Supplemental Special Conditions (Funding) for additional information regarding project funding.

**NIB-17. Debarment and Suspension (2 CFR Part 1400).**

The Department of the Interior regulations at 2 CFR Part 1400 – Nonprocurement Debarment and suspension, which adopt the common rule for the government-wide system of debarment and suspension for non-procurement activities, are hereby incorporated by reference and made a part of this Agreement. By entering into the Agreement with the District, Contractor hereby certifies that they are not presently debarred, suspended, proposed for disbarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or agency.

**NIB-18. General Contractor's Responsibilities.**

All recipients of federal funds, including general contractors and subcontractors, must make every effort to solicit bids from eligible MBE/WBEs. This information must be documented as described herein and as governed by all applicable federal requirements and laws pertaining to contracting with minority firms, women's business enterprises, and labor surplus area firms.

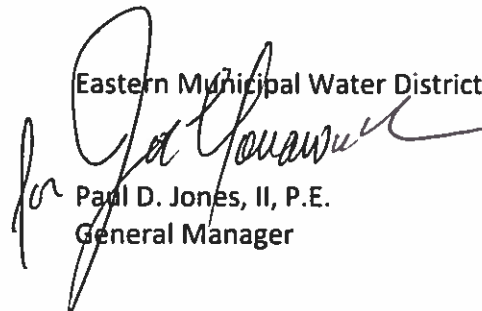

Bidders will take all necessary affirmative steps to assure that minority firms, women's business enterprises, and labor surplus area firms are used when possible.

Affirmative steps shall include the following:

1. Placing qualified small and minority businesses and women's business enterprises on solicitation lists;
2. Assure that small and minority businesses, and women's business enterprises are solicited whenever they are potential sources;
3. Divide total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority business, and women's business enterprises.
4. Establish delivery schedules, where the requirement permits, which encourage participation by small and minority business, and women's business enterprises.
5. Bidders must use the services and assistance of the Small Business Administration ([www.sba.gov](http://www.sba.gov)) and Minority Business Development Agency of the Department of Commerce ([www.mbda.gov](http://www.mbda.gov)) and provide documentation that the local SBA and MBDA offices or web sites were notified of the bid opportunity at least TEN (10) calendar days prior to bid opening and solicitation to MBE/WBE subcontractors at least FIVE (5) calendar days prior to bid opening. Documentation must not only include the efforts to contact the information sources and the contract opportunity, but also the solicitation and response to the bid request.
6. Requiring the prime contractor, if subcontracts are to be let, to take the affirmative steps listed in paragraphs (1) through (5) of this section.

To ensure and document that the affirmative steps outlined above were satisfied, all bidders shall submit to EMWD Forms A & B, with their bid to be considered a responsive bidder.

Failure to take the necessary affirmative steps listed above, prior to bid opening, and to submit District Forms A & B with the bid shall cause the bid to be rejected and deemed a non-responsive bid.
