**NIB-3. Contract Documents.** The contract documents, which include instructions to bidders, plans and specifications, are available at [www.emwd.org](http://www.emwd.org). To view and download these documents, navigate to **Doing Business, Construction** and select **Construction Bid Opportunities**. If obtaining the contract documents online, please complete the Planholder Registration form to receive email notification of addenda issued. *Bidders shall use full size drawings to prepare bid.*

**NIB-4. Location and Description of Work.** The work to be constructed is located in Sky Canyon Drive from Borel Road to Murrieta Hot Springs Road in Murrieta, incorporated area of the Riverside County.

The work comprises construction of construction of approximate 6,650 linear leaner feet, 36-inch diameter VCP gravity sewer pipeline, manholes and appurtenances in accordance with Contract Drawings and Specifications, performing trench sheeting, shoring and bracing per California Labor Code, performing trench backfill, pavement removal and replacement per encroachment permit issued by the County of Riverside, perform approximate 70 linear leaner feet jack/bore installation, performing sewer flow bypass at required existing manhole locations, performing earthwork to construct maintenance and access road, preparation of SWPPP and implementation of BMPs during construction, preparation of traffic control plans and performing traffic control during construction, obtaining permits from the Riverside County Department of Environmental Health for destruction of three two existing groundwater monitoring wells and destruction of the monitoring wells per permit requirements, as well as all other miscellaneous items in accordance with contract drawings

and specifications.

***Quantities are approximate. Bidders are responsible to verify actual quantities from the detailed design drawings to accurately calculate quantity take-offs.***

**NIB-5. Non-Mandatory Pre-Bid Walk-Through** will be conducted by EMWD on **TUESDAY, NOVEMBER 3, 2020 starting at 9:00 a.m. and will be by appointment only** to ensure compliance with COVID-19 distancing mandate. If you would like to attend the walk-thru please contact Amy Eichperger [eichpera@emwd.org](mailto:eichpera@emwd.org) or (951) 928-3777 ext. 4435 no later than 2:00 p.m. **MONDAY, NOVEMBER 2, 2020** to schedule .

Walk-thru: We will meet at the parking lot located at the southwest corner of the intersection of Sky Canyon Drive and Murrieta Hot Spring Road, in the County of Riverside.

**Personal Protective Equipment (PPE).** For your safety, attendees shall bring and wear hard hats, safety vests, and close-toed shoes, if construction is present.

**QUESTIONS:** All questions must be submitted **in writing by 5:00 p.m. on FRIDAY, NOVEMBER 6, 2020** to Ms. Sarah Li c/o Teresa Appelt; EMAIL: [lis@emwd.org](mailto:lis@emwd.org) & [appeltt@emwd.org](mailto:appeltt@emwd.org). ***Questions received after this time may not be responded to.***

**NIB-6. Contract Bonds.** All bonds shall be executed by admitted surety insurers, as defined in Code of Civil Procedure section 995.120. Each proposal must be accompanied by a certified check or satisfactory surety bond (**by utilizing the District's Bid Bond form BB-1**) for not less than 10% of the bidder's total contract price as a guarantee that the bidder shall, within **seven (7)** days after the mailing of a notice of acceptance of bid by the District to the bidder, enter into the written contract supplied by the District.

The District shall return the bid bond, upon request. The Contractor shall furnish a faithful performance bond in an amount equal to 100% of the amount of the contract and a labor payment bond in an amount equal to 100% of the contract amount.

**Micro-tunneling/Boring and Jacking Subcontractor.** Prior to boring and jacking any casings, the micro-tunneling/boring & jacking Subcontractor shall furnish a faithful performance bond in an amount equal to 100% of the amount of the subcontract work and a labor payment bond in an amount equal to 100% of the amount of the subcontract work for the boring and jacking work.

**Pursuant to Section 995.660(a) of the Code of Civil Procedure, the Contractor shall submit the following documents with the performance and payment bonds:**

- (1) The original, or a certified copy, of the unrevoked appointment, power of attorney, bylaws, or other instrument entitling or authorizing the person who executed the bond to do so;
- (2) A certified copy of the certificate of authority of the insurer issued by the State of California's Insurance Commissioner; and

- (3) Copies of the insurer's most recent annual and quarterly statements filed with the Department of Insurance.

**NO PAYMENT SHALL BE MADE UNTIL THE BONDS ARE APPROVED BY THE DISTRICT**

**NIB-7. Safety.** Safety of all activities in connection with the work is of paramount and overriding importance to the District. The District is recognized by the California Occupational Safety and Health Administration (Cal OSHA) as an active participant in the California Voluntary Protection Program (Cal VPP). The District is designated a Cal STAR site due to our high-level commitment to safety. Bidders on this project will be required to comply with and meet all applicable Cal OSHA requirements of Title 8 of the California Code of Regulations, including their current Injury and Illness Prevention Plan, T8 CCR Section 3203.

**All bidders shall complete the C-16 Annual Summary of Work Related Injuries and Illness (Cal/OSHA Form 300A) and the C-17 Contractor's Cal/OSHA Compliance History and SIC Code form. *Failure to fully divulge, complete and submit these forms may deem your bid non-responsive***

A safety conference shall be scheduled prior to the preconstruction conference to review the experience modification rating, the respective safety requirements, and to discuss implementation of all health and safety provisions related to this project.

**NIB-8. Contract Time.** No bid or bid security may be withdrawn for **seventy-five (75)** calendar days after the date bids are received. The successful bidder shall, within **seven (7)** calendar days after the District mails a notice of acceptance of bid, return the signed agreement and bonds, and attend the pre-construction conference at the District office. **The contract period shall commence seven (7) calendar days from the date of the Notice-of-Acceptance-of-Proposal. The Contractor shall complete all work, including testing, within Six Hundred Thirty (630) calendar days.**

**NIB-9. Contractor Classification.** Bidders on this work will be required to be licensed by the State of California as **Classification A - General Engineering Contractor and/or Classification C-34 - Pipeline Contractor** at the time of the bid and at the time of award as such license is defined in Section 7056 and/or Section 7058 of the Business and Professional Code and Section 732 of the California Administrative Code.

**NIB-10. Non-Discrimination.** Bidders on this work will be required to comply with the provisions of the California Labor Code and with the President's Executive Order No. 11246 and supplements thereto. The requirements for bidders and contractors under this order are explained in the specifications.

**NIB-11. Minimum Wages.** In accordance with the provisions of the California Labor Code, the Director of Industrial Relations has ascertained the general prevailing rates of wages and the general prevailing rates for legal holiday and overtime work in Riverside County (refer to Section F-General Conditions). Copies of said rates are on file at the office of the District, which copies shall be made available for review to any interested party on request. The successful bidder shall post a copy of such determinations at the jobsite.

**NIB-12. Public Works Requirements** California Administrative Code, Title 8, Group 3, Section 16100 apply, which are/include:

- A. all applicable requirements of sections 1771, 1774 - 1776, 1813, and 1815.
- B. the appropriate number of apprentices are on the job site, as set forth in Labor Code Section 1777.5.
- C. workers' compensation coverage, set forth in Labor Code Sections 1860 and 1861.
- D. to keep accurate records of the work performed on the public works project, as set forth in Labor Code Section 1812.
- E. inspection of payroll records pursuant to Labor Code Section 1776, and as set forth in Section 16400 (e) of these regulations.
- F. and other requirements imposed by law.

**NIB-13. Public Works Contractor and Subcontractor Registration.** This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

No contractor or subcontractor may be listed on a bid proposal or be awarded a contract for a public works project unless registered with the Department of Industrial Relations pursuant to Labor Code section 1725.5 [with limited exceptions from this requirement for bid purposes only under Labor Code section 1771.1(a)].

**BIDDERS AND THEIR SUBCONTRACTORS (listed on the Designation of Subcontractors List C-05) are to provide an extract (pdf or excel) at time of bid showing active registration from the Public Works Contractor Registration online registration at:**  
<https://cadir.secure.force.com/ContractorSearch>

All contractors and subcontractors, including soils, survey and inspection services must furnish electronic certified payroll records directly to the Labor Commissioner (aka Division of Labor Standards Enforcement). Additionally, the awarded Contractor shall submit certified payroll records to the District.

In addition, awarded Contractor must post jobsite notices prescribed by regulations.

**NIB-14. Ineligibility of Contractor or Subcontractor.** Pursuant to Section 1777.1 and 1777.7 of the Labor Code, any contractor or subcontractor who is found by the Labor Commissioner to be in violation of certain provisions of law and is debarred for a specific period of time, is ineligible to bid or work on, or be awarded, a public works contract.

**NIB-15. Substitution of Securities.** Substitution of securities shall be permitted for any monies withheld to ensure contract performance, in accordance with the provisions of law and Section F-General Conditions of the contract specifications.

**NIB-16. Covid-19 Special Notice.** By submitting a Bid for this work, Bidder agrees to proceed with the work as proposed and to execute the contract in the form provided. Any conditions, caveats, or force majeure notices submitted with a bid will not be accepted and may result in a determination that the bid is non-responsive. Any such conditions, caveats, or notices submitted after award may result in the forfeiture of Bidder's bid security and award to the next lowest bidder. Bidders shall comply with all governmental requirements for safety during the COVID-19 pandemic, including but not limited to orders and guidance of the California Department of Public Health, orders and guidelines of Cal/OSHA, and orders of the public health officer of the County of Riverside. The costs of adhering to and complying with such COVID-19 safety measures shall be the responsibility of the bidders and shall be included and incorporated into their respective bid amounts.
