

APPENDIX E

Available Record Drawings List

[PAGE LEFT INTENTIONALLY BLANK]

**EASTERN MUNICIPAL WATER DISTRICT
SPECIFICATION NO. 1407W
BRINE PIPELINE ACCESS IMPROVEMENTS**

APPENDIX E – AVAILABLE RECORD DRAWINGS LIST

The following Record Drawings were references or used to develop the Contract Drawings. If the Drawing Set is listed it was used throughout the project, and the individual drawings sheets will not be listed.

The following non-EMWD utility as-builts are in near proximity to the proposed improvements. The drawings provided by the utility owner can be obtained by request of the District representative. The utility owners are listed below:

Elsinore Valley Municipal Water District:

M-5697

Southern California Edison:

556-1705-0

556-1707-0

557-1707-0

The following are drawing sets coming from both EMWD and Riverside County that were used throughout the project. Contact the District's project representative to obtain copies.*

Complete Drawing Sets:

Spec. 639S

Spec. 1183P

Spec. 1214P

Spec. 1072W

Spec. 801W

Spec. 1321P

*Project No. C5-0068

The following District drawings are available through the EMWD Maps Portal @ <https://mapportal.emwd.org/>. For drawings not available through the portal, contact the District's project representative to obtain copies.
