To Whom It May Concern,

Subject: Stakeholder Advisory Group Meeting, San Jacinto Groundwater Basin: Development of a Groundwater Sustainability Plan

Dear Sir or Madam:

Eastern Municipal Water District (EMWD), as the West San Jacinto Groundwater Sustainability Agency (GSA), will hold a **webinar only meeting** to provide an update of the development of the San Jacinto Groundwater Basin Groundwater Sustainability Plan (GSP) in advance of the release of the public draft. The GSP will outline a course of action to accomplish groundwater sustainability over the 20-year plan implementation period. The GSP will identify local undesirable results and define management actions to minimize unsustainable conditions in the San Jacinto Groundwater Basin. The GSP will develop milestones to ensure progress towards sustainable management of the San Jacinto Groundwater Basin under the Sustainable Groundwater Management Act is achieved. For additional information, please see <https://www.emwd.org/sgma>. We invite you to attend and appreciate your continued participation, feedback, and contribution to the development of the San Jacinto Groundwater Basin GSP. The date, time, and webinar log-in information of the meeting is shown below. Please contact us at your convenience at grayr@emwd.org, or (951) 928-3777 extension 4514, if you have any questions or concerns.

When: March 24, 2021 from 10:00 a.m. to 11:00 a.m.
