Geotechnical Baseline Report, EMWD – San Jacinto Valley Raw Water
Conveyance Facilities, City of San Jacinto/Hemet, Riverside County, California,
prepared by Inland Foundation Engineering, Inc., dated May 8, 2019

Dear Mr. Engstrand:

We reviewed the subject contract documents that you provided for conformance with the referenced geotechnical investigation report and geotechnical baseline report. We initially provided review comments to you on May 4, 2020. Those comments have now been adequately addressed and the contract documents now appear to conform to the referenced geotechnical reports.

We appreciate the opportunity of being of service to you on this project. If there are any questions, please contact our office.

Respectfully,
INLAND FOUNDATION ENGINEERING, INC.

Allen D. Evans, P.E., G.E.
