Subject: EMWD Construction Near Your Residence

Dear Neighbor:

On behalf of Eastern Municipal Water District (EMWD), we would like to update you on upcoming construction activities that will take place over the next several months near your residence in Moreno Valley.

In late 2020, EMWD began constructing two wells, Well 65 and 66, along Ironwood Avenue, between Heacock Street and Nita Drive, as part of the Perris North Groundwater Program. The purpose of the program is to provide long-term water quality benefits to the region. More information on the specifics of the program can be found on the attached fact sheet.

The Perris North Groundwater Program will include several projects throughout the City of Moreno Valley, including a few in your neighborhood:

- **Cactus Corridor Pipeline Project:** This work is being completed in phases to help minimize impacts to the community.
 - **Phase I**
 - Location: Primarily along Sweet Grass Drive and Flaming Arrow Drive
 - Project Timeline: Spring 2021 – Fall 2021
 - **Phase II**
 - Location: Primarily along Kitching Street
 - Project Timeline: Summer 2021 – Spring 2023
- **Wells 206 and 207 – Cactus Corridor Facility**
 - Location: Between Perris Boulevard and Bay Avenue
 - Project Timeline: Spring 2021 – Spring 2023

Board of Directors

Philip E. Paule, *President* | Randy A. Record, *Vice President* | Jeff Armstrong | Stephen J. Corona | David J. Slawson

2270 Trumble Road • P.O. Box 8300 • Perris, CA 92572-8300

T 951.928.3777 • F 951.928.6177 | www.emwd.org

- **Well 208 – Santiago Drive**
 - Location: Santiago Drive at the City of Moreno Valley Corporate Yard
 - Project Timeline: Summer 2021 – Fall 2022
- **Well 209 – Victoriano**
 - Location: Los Cabos Drive at Victoriano Park
 - Project Timeline: Spring 2021 – Fall 2022
- **Series of Monitoring Wells**
 - Locations and timeline are to be determined.

Prior to and throughout the construction of these projects, EMWD will provide you with more information regarding project specifics and any updated timelines for that work.

For many of these projects, traffic control measures will be in place, including flag operators to help direct traffic in the construction zone. Much of the work will be done during daytime hours on weekdays. EMWD asks that motorists please use extra caution for the safety of our work crews and the surrounding community.

EMWD appreciates your patience and understanding as we work to complete this important project that will help provide your family with a safe and reliable water supply source for future generations.

Should you have any questions, please contact me at 951-928-3777, ext. 4370, or at ramireal@emwd.org. You may also visit www.emwd.org/perrisnorth to learn more.

Sincerely,

Alma Ramirez
Public Affairs Officer
