

Who We Are

Located in western Riverside County, EMWD provides safe and reliable water, wastewater and recycled water service to nearly 1 million customers in a 558-square mile service area.

EMWD is California's sixth-largest retail water agency. Our mission is "To deliver value to our diverse customers and the communities we serve by providing safe, reliable, economical and environmentally sustainable water, wastewater and recycled water services."

Program Information

- **Duration:** June through October.
- **Requirements:** Current enrollment in an accredited college or university carrying a minimum of 12 semester units or 8 quarter units; maintain a cumulative grade point average (GPA) of 3.0 or higher on a 4.0 scale.
- **Experience:** Requirements may depend on the department need and type of projects included in the internship.
- **Terms and conditions:** Participation in the internship program does not entitle the intern to a job at the conclusion of the program. Internship does not provide benefits, paid time-off, or holiday pay. Overtime is not authorized. Interns are at-will and can be terminated (with or without cause) at any time prior to the planned expiration of the internship. Interns must adhere to dress guidelines and observe all safety rules and regulations. Relatives of current EMWD employees are not eligible.
