

PROPOSAL

The undersigned hereby declares, as Bidder, that the only persons or parties interested in this proposal as principals are those named herein; that no director or any other officer or employee of the Eastern Municipal Water District is in any manner interested directly or indirectly in this proposal or in the profits to be derived from the contract proposed to be taken; that this bid is made without any connection with any person or persons making a bid for the same purpose; that the bid is in all respects fair and without collusion or fraud; that he has read the Notice Inviting Bids (or Bidding Information), Insurance Requirements and the Instructions to Bidders and agrees to all the stipulations contained herein; that he proposes and agrees that if his bid as submitted in the attached sheets, be accepted he will contract in the form so approved and furnish all items called for in accordance with the provisions of said approved form of Agreement, Insurance Requirements and the Specifications and to deliver the same within the time stipulated therein; and that he will accept in full payment therefore the prices named in said Bid Sheet.

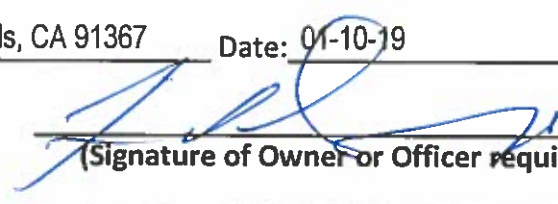

The Bidder further agrees, that upon receipt of written notice of the acceptance of this proposal within 60 days after the day of opening bids (unless otherwise specified in the Notice Inviting Bids or Bidding Information) he will execute and return the Contract in accordance with the proposal as accepted and furnish the required bond(s) within **SEVEN (7)** days from the date of mailing the Notice of Acceptance of Proposal to him at his address given below, or within such time as allowed by the Engineer; and that upon his failure or refusal to do so within the said time, then the certified or cashier's check or bond accompanying this bid shall become the property of and be retained by the Eastern Municipal Water District as liquidated damages for such failure or refusal, and shall be deposited with the Treasurer of said Eastern Municipal Water District as monies belonging to the Eastern Municipal Water District; provided, that if said Bidder shall execute the Contract and furnish the required bond within the time aforesaid, his check or bond shall be returned to him thereafter.

The Bidder further declares that the surety or sureties named in the attached sheet have agreed to furnish bond in form and amount set forth in the accompanying Notice Inviting Bids (or Bidding Information) and paragraph B-6 of the Instructions to Bidders, in the event contract is awarded on basis of this proposal.

**EASTERN MUNICIPAL WATER DISTRICT
SPECIFICATION NO. 1347S
WINCHESTER LIFT STATION ODOR CONTROL FACILITY
ADDENDUM NO. 1**

BIDDING SHEETS

The Contractor shall construct the project under these Specifications all in conformance with the Contract Drawings listed in Section P and these Specifications.

The District reserves the right to:

- A. Accept or reject any or all bids on this specification;
- B. Award Contract to the lowest qualified bidder, based on the total bid price;
- C. Waive any defects and informalities.

The District shall be the final authority with regard to whether a bid is responsive to the call for bids and to whether a bidder is a responsible bidder under the conditions of his bid, or for any reason.

The total contract price shall include all work, materials and equipment needed to complete the project as defined in the General Conditions, Section F. The bidder shall include costs for such other items in the most appropriate category (bid item).

BASIS OF AWARD: Additive Bid Item(s) Included in Total Bid Price.

Public Contract Code 20103.8(b) provides for basis of award as follows:

- b) The lowest bid shall be the lowest total of the bid prices on the base contract and those additive or deductive items that were specifically identified in the bid solicitation as being used for the purpose of determining the lowest bid price.*

Public Contract Code 20103.8 does not preclude the District from adding to or deducting any of the additive or deductive items after the lowest responsible bidder has been determined.

Failure to provide a cost for the additive or deductive bid items may deem your bid non-responsive.

Education: National University of Nicaragua B.S. Civil Engineering
National University of Nicaragua B.S. Agricultural Engineering

Languages: English, Spanish

Summary of Experience:

My background embraces over thirty five years of diverse construction experience in a variety of positions. As a Project Manager, I manage and direct the construction of water and wastewater treatment plants, pre-stress concrete water reservoirs as well as pump stations, water and wastewater pipe lines, from the early stages of planning, estimating, pay estimates, change orders, submittals and RFI's to contract negotiation, cost control, analysis of engineering proposals and coordination with contractors. I have managed projects domestically though out the United States and Internationally in Mexico, Chile, Peru, Brazil, and Uzbekistan.

Relevant Experience:

Environmental Construction, Inc.
MWD Robert B. Diemer Water Treatment Plant
Project Manager

This \$22,000,000.00 Project involves the Demolition Removal and Replacement of all the Equipment in the East Basins of the Robert B. Diemer Treatment Plant as follow: 16 New Clarifier Mechanisms Including Turntables, Drives, Rakes and Articulated Corner Sweeps, 40 New SS Effluent Launderers, 12 New Flocculators, 16 New Sludge Pumps, 19 New Inlets Gates and 20 New Motor Operated Weir Gates, New Perimeter Industrial Water Lines, Refurbish and Reinstallation of Access Bridges as well as Electrical Modification and Instrumentation Upgrade.

SSC Construction, Inc. 2005-2014.
Project Manager
Westlake Composting Facility Project Phase 1

The project comprised of the construction of a new composting facility for Los Angeles County Sanitation District (LACSD). The project involved the construction of a new raw water inlet pump station, pressure filters, calcium

hypochlorite injection system, NPW pump station and reservoir, fire protection system, storm water basins and pump stations, potable, NPW and fire water lines, foul air blowers and bio-filter systems, construction of two insulated metal building and one metal building with FRP interior walls to house the mixers and mixing process, installation of two belt conveyance systems, installation of two bolted steel tanks, an aeration system, three prefabricated sewage pump stations and storage tanks, installation of 58,000 tons of AC paving for roads, storm basins and composting storage areas as well as electrical and instrumentation. Total contract amount for this project was \$48,000,000.00

**RP1- Dewatering Facility Expansion Project
Project Manager**

The project consisted of construction of a new centrifuge building, new sludge grinder equipment, 4 new sludge feed pumps, 2 new polymer transfer pumps, 4 dewatering centrifuges, sludge storage silos, replacement of digested sludge feed pipes, electrical, instrumentation and site preparation. This project was ARRA funded. Anticipated Completion: January, 2012 Client: Inland Empire Utilities Agency.

**Charnock Well Field Restoration Project
Project Manager**

I was the Project Manager of this high profile design build project. The project consists of two treatment sites – Charnock with a 3,000 GPM capacity and Arcadia with a 7,000 GPM capacity – that encompass the construction of large and complicated concrete structures for the Filter complex, A GAC absorption system to treat contaminated ground water from three wells; Construction of a chemical feed facility; Installation of Greensand pressure filtration and fluoridation system; Installation of the RO Equipment, Pressure filters, Decarbonators, Plate settlers, Chemical metering pumps Cartridge filters, high pressure pumping equipment; Installation of two 2500 KW emergency generators; Installation of the underground and above ground pipelines for the interconnection of all the equipment. The project is an expansion of an existing water treatment facility and utilized the progressive design build – GMP project delivery method. Construction was substantially completed in July 2010 and ultimate completion was December 2010. Client: City of Santa Monica.

Cypress Street Reservoir Project Project Manager

I was the Project Manager in charge of this \$9,328,202.81 reservoir project. This project involved the construction of one 5.0 MG pre-stress concrete reservoir for potable water, a treatment center that included the installation of two Miox Oxidant generators, pressure filters, bolted steel tank, booster pump station, installation of submersible pump for the deep water well, as well as installation of 450 LF of 30" RCP storm drain, 400 LF of 24" CMLC distribution line and the replacement of 480 LF of 10" DIP main water line on Cypress Street, as well as the installation of a solar powered submersible mixer to avoid the chlorine stratification of the treated water inside the 5.0 MG reservoir. The project was successfully started and it is producing 1500 GPM of Quality Drinking Water for the City of Lomita.

8MG Lakeview Reservoir Project Project Manager

I was the Project Manager for this reservoir project. The project consisted of the construction and installation of an 8.0 MG buried cast-in-place concrete reservoir and appurtenances including all associated valve vaults, connecting pipelines, reservoir back fill, and all site improvements. Installation of 1600 lineal feet 30", 24" and 16" CMLC pipe. Construction of 3 buried cast-in-place valve control structures. Demolition and removal of existing Booster Pump Station including all piping and ancillary equipment. Demolition and removal of two existing 2.0 MG welded steel storage tanks, including concrete foundation and all connecting piping and drainage facilities. Project included installation of seismic valve controls, cathodic protection for CMLC pipe and motor operated valves.

6.0 MG Pre-stressed Concrete Water Reservoir Project Project Manager

I Managed this \$7,448,357.18 project that consisted of the construction of a 6.0 MG pre-stressed concrete water reservoir and architectural façade; Installation of three 30" CMCL pipelines to connect the reservoir to the existing water network; Construction of a 6" PVC line for irrigation. Site improvement includes the installation of a 30" RCP storm drain and catch basins as well as Landscape and Irrigation. Tank Dimensions: 185 Ft x 32 Ft. Client: City of Ontario

Meadowlark Water Reclamation Facility Expansion Project

As the Project Manager for this \$24,988,364.57 project expansion. I was responsible for the expansion of the existing Meadowlark Waste Water Treatment Plant from 2.0 MM GPD to 7.0 MM GPD. The expansion included a new

influent pump station (3 new submersibles pumps/grinders and controllers), new headworks, 3 new primary filters and primary sludge pumps, 2 new roughing filters using PVC media filtration and pump station, 3 new aeration basins, 3 new secondary clarifiers and refurbish of 3 existing clarifiers as well as secondary effluent pump station using 3 vertical turbine pumps with a capacity of 2MM GPM for fail safe effluent, Ras/Was Pump Station and pipe gallery, 3 new tertiary filters and refurbish of 3 existing tertiary filters using anthracite media, new odor control system and FRP piping, new final effluent pump station (reclaimed water pump station) 3 new vertical turbine pumps with a capacity of 7.0 MM GPD, new plant solid pump station 2 new moyno pumps for plant solids, 2 new storm water pumps , new aeration gallery (2 new single stage air blowers and 1 vent use compressor), new chlorination system (4 automatic chlorinators 1 water champ and 1 chlorine injector as well as chlorine analyzer, chlorine scales and Wizard 2000), polymer injection pumps, new 1500 KW generator, new O&M building, new switch gear building, site work paving, fencing and concrete line ditches, irrigation & landscape. Client: Vallecitos Water District

Sheffield Water Quality Project Permanent Reservoirs

I Managed this \$14,594,216.17 project. That consisted of the construction and demolition of two temporary steel tanks; the demolition of the existing Sheffield Open Reservoir; preservation of existing Sheffield Filtration Plant; the construction of two buried pre-stress concrete water reservoirs as well as the construction of a 60'x60'x35' deep reinforced concrete vault for the valves distribution system; east and west distribution pipelines and chemical building; construction and landscape of 28 acres of open space natural park on top of the two buried concrete reservoirs. Client: City of Santa Barbara

Ladera Ranch Covenant Hills Zone I Reservoir, Zone II Pump Station/Zone I Pressure Reducing Station, Zone A Recycled Reservoir and Zone B Recycled Water Pump Station

As the Project Manager for this \$9,457,910.34 project. I managed and directed the construction of two buried pre-stress concrete water reservoirs, one with a capacity of 6 MG for potable water, and the second with a capacity of 0.9 MG for recycled water for irrigation use. Also included was the installation of a pump station for domestic water and one for recycled water, as well as CMLC pipelines 18" and 24" required to connect to the existing water distribution network. Client: Santa Margarita Water District

PRIOR TO SSC CONSTRUCTION

El Toro R-6 Open Reservoir

As a Senior Project Manager for this \$11.5 million project, Mr. Leon managed the reconstruction of the 350 MG El Toro Open Reservoir that included the installation of a new geosynthetic liner and floating cover, replacement of the porous asphalt liner, raised the reservoir embankment, replacement of the 52" inlet and outlet hydraulic operated butterfly valves, as well as the installation of new chemical mixing system and rainwater removal system. Mr. Leon was in charge of all aspects of construction management including estimating, planning, contract reviews, contract negotiations, performance schedules, submittals, RFI's, and Change Orders. Client: El Toro Water District.

Serrot International, Inc. 1989 to 2001 Project Manager-Senior Superintendent.

As a Project Manager for Serrot International Inc. I managed a variety of complex construction projects from multilayer landfills in the East Coast and Midwest to leach pads, process ponds, wastewater ponds, reservoirs and hydraulic structures. My duties included planning, estimating, contract negotiations, cost control, project schedules as builds, as well as change orders submittals and RFI's. I have also managed and constructed projects overseas for Newmont Gold Mining Co, Rio Tinto Mining Co, Greenstone Mining, Fluor Construction, Hecla Mining Co, Round Mountain Gold, and Barrick Gold Co.

From leach pads, process ponds to the installation of ore processing equipment, crusher, belt conveyors, and double containment steel/hdpe lined pipeline and activated charcoal filters for mineral recovery.

As a Senior Superintendent for Serrot International, Inc. my primary task was trouble shooting which challenged the utmost of our ability to turn projects around in a quick and efficient manner.

LIST OF DESIGNATED SUBCONTRACTORS

SPEC #:	1347S
PROJECT TITLE:	WINCHESTER LIFT STATION ODOR CONTROL FACILITY
NAME OF CONTRACTOR:	Environmental Construction, Inc.

In compliance with the provisions of Sec. 4100-4111, inclusive, of the Public Contract Code of the State of California, and any amendments thereof, each bidder shall set forth: the name, location of the place of business, license number, portion of the work which will be done by each subcontractor who will perform work or labor or render service to the Contractor in or about the construction of the work or improvement in an amount in excess of one-half of one percent (1/2 of 1%) of the Contractor's total bid. Each portion of Subcontracted work noted in the below table must be specific and contain all major activities associated with completion of the project, outside of the services provided by the bidding Contractor. Ambiguous and/or incomplete Subcontracted work information may deem the bid nonresponsive. Each subcontractor shall possess, both at the time the bid is submitted and at all times when work is performed, a valid contractor's license for the appropriate classification necessary to perform the work for which that subcontractor is listed.

BIDDER SHALL PROVIDE THE FOLLOWING INFORMATION:

PUBLIC WORKS CONTRACTOR REGISTRATION
(Pursuant to SB 854)

This project is subject to compliance monitoring and enforcement by the Department of Industrial Relations.

Pursuant to Section 1771.1 of the Labor Code, **no contractor or subcontractor** shall be qualified to bid on, be listed in a bid proposal pursuant to Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work unless currently registered to perform public work pursuant to Section 1725.5 of the Labor Code. It shall not be a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Sections 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded.

BIDDERS AND THEIR SUBCONTRACTORS (listed on the Designation of Subcontractors List C-05) are to provide an extract (pdf) at time of bid showing active registration from the Public Works Contractor Registration online registration at <https://efiling.dir.ca.gov/PWCR/Search>

NON-COLLUSION DECLARATION

TO BE EXECUTED BY BIDDER AND SUBMITTED WITH BID

The undersigned declares:

I am the President of Environmental Construction, Inc.
the party making the foregoing bid.

The bid is not made in the interest of, or on behalf of, any undisclosed person, partnership, company, association, organization, or corporation. The bid is genuine and not collusive or sham. The bidder has not directly or indirectly induced or solicited any other bidder to put in a false or sham bid. The bidder has not directly or indirectly colluded, conspired, connived, or agreed with any bidder or anyone else to put in a sham bid, or to refrain from bidding. The bidder has not in any manner, directly or indirectly, sought by agreement, communication, or conference with anyone to fix the bid price of the bidder or of any other bidder, or to fix any overhead, profit, or cost element of the bid price, or of that of any other bidder. All statements contained in the bid are true. The bidder has not, directly or indirectly, submitted his or her bid price or any breakdown thereof, or the contents thereof, or divulged information or data relative thereto, to any corporation, partnership, company, association, organization, bid depository, or to any member or agent thereof, to effectuate a collusive or sham bid, and has not paid, and will not pay, any person or entity for such purpose.

Any person executing this declaration on behalf of a bidder that is a corporation, partnership, joint venture, limited liability company, limited liability partnership, or any other entity, hereby represents that he or she has full power to execute, and does execute, this declaration on behalf of the bidder.

I declare under penalty of perjury under the laws of the State of California that the foregoing is true and correct and that this declaration is executed on 01-10-19 [date], at Woodland Hills [city], California [state]

IRAN CONTRACTING ACT CERTIFICATION

Pursuant to the Iran Contract Act of 2010 (Public Contract Code 2200-2208), Vendors/Bidders are ineligible to bid on or submit a proposal for any contract with a public entity for goods or services of one million dollars (\$1,000,000) or more if the Vendor/Bidder engages in investment activities in Iran.

MUST BE SUBMITTED WITH BID PROPOSAL IF BID AMOUNT IS \$1,000,000 OR MORE

Prior to bidding on, submitting a proposal, or executing a contract or renewal for a public entity contract for goods or services of \$1,000,000 or more, a vendor must either: a) certify it is not on the current list of persons engaged in investment activities in Iran created by the California Department of General Services ("DGS") pursuant to Public Contract Code section 2203(b) and is not a financial institution extending \$20,000,000 or more in credit to another person, for 45 days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the current list of persons engaged in investment activities in Iran created by DGS; or b) demonstrate it has been exempted from the certification requirement for that solicitation or contract pursuant to Public Contract Code section 2203(c) or (d).

To comply with this requirement, please insert your vendor or financial institution name and Federal ID Number (if available) and complete one of the options below. Please note: California law establishes penalties for providing false certifications, including civil penalties equal to the greater of \$250,000 or twice the amount of the contract for which the false certification was made, contract termination, and three-year ineligibility to bid on contracts. (Pub. Cont. Code § 2205.)

OPTION #1 - CERTIFICATION

I, the official named below, certify I am duly authorized to execute this certification on behalf of the vendor/financial institution identified below, and the vendor/financial institution identified below is not on the current list of persons engaged in investment activities in Iran created by DGS and is not a financial institution extending twenty million dollars (\$20,000,000) or more in credit to another person/vendor, for 45 days or more, if that other person/vendor will use the credit to provide goods or services in the energy sector in Iran and is identified on the current list of persons engaged in investment activities in Iran created by DGS.

I certify (or declare) under penalty of perjury under the laws of the State of California that the foregoing is true and correct.

<i>Printed Name and Title of Person Signing</i> Farid Soroudi - President	<i>Date Executed</i> 01-10-19

OPTION #2 – EXEMPTION

Pursuant to Public Contract Code sections 2203(c) and (d), a public entity may permit a vendor/financial institution engaged in investment activities in Iran, on a case-by-case basis, to be eligible for, or to bid on, submit a proposal for, or enters into or renews, a contract for goods and services.

If you have obtained an exemption from the certification requirement under the Iran Contracting Act, please fill out the information below, and attach documentation demonstrating the exemption approval.

Ca/OSHA Form 300A (Rev. 7/2007) Appendix B
Annual Summary of Work-Related Injuries and Illnesses

All establishments covered by CCR Title 8 Section 14300 must complete this Annual Summary, even if no work-related injuries or illnesses occurred during the year. Remember to review the Log to verify that the entries are complete and accurate before completing this summary. Using the Log, count the individual entries you made for each category. Then write the totals below, making sure you've added the entries from every page of the Log. If you had no cases, write "0."
 Employees, former employees, and their representatives have the right to review the Ca/OSHA Form 300 in its entirety. They also have limited access to the Ca/OSHA Form 301 or its equivalent. See CCR Title 8 Section 14300.35, in Ca/OSHA's recordkeeping rule, for further details on the access provisions for these forms.

Power of Attorney

Federal Insurance Company | Vigilant Insurance Company | Pacific Indemnity Company

Know All by These Presents, That FEDERAL INSURANCE COMPANY, an Indiana corporation, VIGILANT INSURANCE COMPANY, a New York corporation, and PACIFIC INDEMNITY COMPANY, a Wisconsin corporation, do each hereby constitute and appoint Shawn Blume, Kevin Cathcart, Vanessa Copeland, Eric Lowey and Mark Richardson of Costa Mesa, California

each as their true and lawful Attorney-in-Fact to execute under such designation in their names and to affix their corporate seals to and deliver for and on their behalf as surety thereon or otherwise, bonds and undertakings and other writings obligatory in the nature thereof (other than bail bonds) given or executed in the course of business, and any instruments amending or altering the same, and consents to the modification or alteration of any instrument referred to in said bonds or obligations.

In Witness Whereof, said FEDERAL INSURANCE COMPANY, VIGILANT INSURANCE COMPANY, and PACIFIC INDEMNITY COMPANY have each executed and attested these presents and affixed their corporate seals on this 22nd day of November, 2017.

Dawn M. Chloros

Dawn M. Chloros, Assistant Secretary

Stephen M. Haney

Stephen M. Haney, Vice President

STATE OF NEW JERSEY

County of Hunterdon

ss.

On this 22nd day of November, 2017 before me, a Notary Public of New Jersey, personally came Dawn M. Chloros, to me known to be Assistant Secretary of FEDERAL INSURANCE COMPANY, VIGILANT INSURANCE COMPANY, and PACIFIC INDEMNITY COMPANY, the companies which executed the foregoing Power of Attorney, and the said Dawn M. Chloros, being by me duly sworn, did depose and say that she is Assistant Secretary of FEDERAL INSURANCE COMPANY, VIGILANT INSURANCE COMPANY, and PACIFIC INDEMNITY COMPANY and knows the corporate seals thereof, that the seals affixed to the foregoing Power of Attorney are such corporate seals and were thereto affixed by authority of said Companies; and that she signed said Power of Attorney as Assistant Secretary of said Companies by like authority; and that she is acquainted with Stephen M. Haney, and knows him to be Vice President of said Companies; and that the signature of Stephen M. Haney, subscribed to said Power of Attorney is in the genuine handwriting of Stephen M. Haney, and was thereto subscribed by authority of said Companies and in deponent's presence.

CERTIFICATION

Resolutions adopted by the Boards of Directors of FEDERAL INSURANCE COMPANY, VIGILANT INSURANCE COMPANY, and PACIFIC INDEMNITY COMPANY on August 30, 2016:

*RESOLVED, that the following authorizations relate to the execution, for and on behalf of the Company, of bonds, undertakings, recognizances, contracts and other written commitments of the Company entered into in the ordinary course of business (each a "Written Commitment"):

- (1) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized to execute any Written Commitment for and on behalf of the Company, under the seal of the Company or otherwise.
(2) Each duly appointed attorney-in-fact of the Company is hereby authorized to execute any Written Commitment for and on behalf of the Company, under the seal of the Company or otherwise, to the extent that such action is authorized by the grant of powers provided for in such person's written appointment as such attorney-in-fact.
(3) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized, for and on behalf of the Company, to appoint in writing any person the attorney-in-fact of the Company with full power and authority to execute, for and on behalf of the Company, under the seal of the Company or otherwise, such Written Commitments of the Company as may be specified in such written appointment, which specification may be by general type or class of Written Commitments or by specification of one or more particular Written Commitments.
(4) Each of the Chairman, the President and the Vice Presidents of the Company is hereby authorized, for and on behalf of the Company, to delegate in writing to any other officer of the Company the authority to execute, for and on behalf of the Company, under the Company's seal or otherwise, such Written Commitments of the Company as are specified in such written delegation, which specification may be by general type or class of Written Commitments or by specification of one or more particular Written Commitments.
(5) The signature of any officer or other person executing any Written Commitment or appointment or delegation pursuant to this Resolution, and the seal of the Company, may be affixed by facsimile on such Written Commitment or written appointment or delegation.

FURTHER RESOLVED, that the foregoing Resolution shall not be deemed to be an exclusive statement of the powers and authority of officers, employees and other persons to act for and on behalf of the Company, and such Resolution shall not limit or otherwise affect the exercise of any such power or authority otherwise validly granted or vested.

I, Dawn M. Chloros, Assistant Secretary of FEDERAL INSURANCE COMPANY, VIGILANT INSURANCE COMPANY, and PACIFIC INDEMNITY COMPANY (the "Companies") do hereby certify that

- (i) the foregoing Resolutions adopted by the Board of Directors of the Companies are true, correct and in full force and effect,
(ii) the Companies are duly licensed and authorized to transact surety business in all 50 of the United States of America and the District of Columbia and are authorized by the U.S. Treasury Department; further, Federal and Vigilant are licensed in the U.S. Virgin Islands, and Federal is licensed in Guam, Puerto Rico, and each of the Provinces of Canada except Prince Edward Island; and
(iii) the foregoing Power of Attorney is true, correct and in full force and effect.

Given under my hand and seals of said Companies at Whitehouse Station, NJ, this January 3, 2019.
