**GENERAL PURPOSE**

Under general direction, performs complex professional accounting and financial analysis duties in the preparation and maintenance of financial records and reports for various District accounts and funds; organizes and participates in the development of lower-level professional and technical staff; provides sound professional recommendations for action; serves as department liaison to other District departments with respect to understanding accounting documents and financial reports; and performs related duties, as assigned.

**DISTINGUISHING CHARACTERISTICS**

This is the advanced-level classification in the professional accounting series responsible for performing the most complex work assigned to the series. Incumbents regularly work on tasks which are varied and complex, requiring considerable discretion and independent judgment. Positions in the classification rely on experience and judgment to perform complex accounting and financial record-keeping functions. Assignments are given with general guidelines and incumbents are responsible for establishing objectives, timelines, and methods to complete assignments. Work is typically reviewed upon completion for soundness, appropriateness, and conformity to policy and requirements.

This class is distinguished from Financial Manager series by the latter’s full management and supervisory authority in planning, organizing, and directing the full scope of operations within the division.

**SUPERVISION RECEIVED AND EXERCISED**

Receives general direction from the Financial Manager. Exercises technical and functional direction over and provides training to lower-level staff.

**TYPICAL DUTIES AND RESPONSIBILITIES**

The duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to this position.
Provides complex professional and technical assistance in the administration and implementation of the District's financial, auditing, and accounting programs, including financial report development, and collection of revenues.

Reconciles expenditure and revenue accounts; researches and analyzes transactions to resolve issues; prepares monthly and year-end journal vouchers for a wide variety of financial programs.

 Prepares analysis, spreadsheets, schedules, journal entries and reconciliations to produce accurate balances in cash, assets, liabilities, revenue, expenses, financial reports, and footnotes.

 Prepares monthly, quarterly, semi-annual, and annual reconciliations for a diverse range of bonds, certificates, financial institution accounts, and related financial instruments.

 Reviews service, work, and construction orders from a variety of funding sources for assigned projects; reviews all project closures for proper financial record keeping and reporting principles; conducts a quarterly review of refunds generated from closures and Work in Progress transactions for transfer journal entries.

 Coordinates and administers a wide variety of financial and accounting programs, including monitoring and maintenance of records of revenues, property tax levies, expenditures, and special funds; prepares accounting for annual tax levy; records remittance receipts for tax revenue and monitors special fund tax revenue balances.

 Prepares payment requisitions for debt service transfers, fees, and agreements, projects costs, and property taxes.

 Makes recommendations and calculates allocation of costs to improvement and assessment districts, District departments, and member agencies.

 Assists with annual audit, including preparing year-end account reconciliations, providing documentation to the auditors, and researching/answering auditor queries.

 Prepares tracking, reconciliations, and closures for grants.

 Observes and complies with all District and mandated safety rules, regulations, and protocols.

 Performs related duties as assigned.
