**GENERAL PURPOSE**

The purpose of the apprentice program is to provide entry to journey-level skills in the technical, vocational, and trades occupations using a combination of structured on-the-job training, related classroom instruction, and home study. Under immediate supervision, may perform unskilled and semi-skilled work in assisting and supporting craft and trade personnel in the construction, maintenance, repair, and servicing of District systems, facilities, vehicles, and equipment; and performs related duties, as assigned.

**DISTINGUISHING CHARACTERISTICS**

This is the entry-level classification. Initially under close supervision, incumbents learn and perform routine a variety of unskilled and semi-skilled tasks in the construction, installation, maintenance, and repair of a variety of District systems, facilities, machinery, and equipment.

**SUPERVISION RECEIVED AND EXERCISED**

Receives immediate supervision from assigned supervisory or management personnel. Exercises no direct supervision over staff.

**TYPICAL DUTIES AND RESPONSIBILITIES**

The duties listed below are intended only as illustrations of the various types of work that may be performed. The omission of specific statements of duties does not exclude them from the position if the work is similar, related or a logical assignment to this position.

- Installs, maintains, troubleshoots, and repairs industrial electrical equipment and systems, including pumps, motors, motor controls, transformers, circuit breakers, electrically operated valves, switchgear, variable and constant speed drives, programmable logic controllers, emergency generator systems, power systems, and lighting systems.
Observes and complies with all District and mandated safety rules, regulation, and protocols.

Perform related duties as assigned.

REQUIRED QUALIFICATIONS

Knowledge of:

- Methods, techniques, tools, and equipment common to the building and/or public works construction fields.
- Shop mathematics.
- District and mandated safety rules, regulations, and protocols.
- Techniques for providing a high level of customer service by effectively dealing with the public, vendors, contractors, and District staff.
- The structure and content of the English language, including the meaning and spelling of words, rules of composition, and grammar.
- Modern equipment and communication tools used for business functions and program, project, and task coordination, including computers and software programs relevant to work performed.

Ability to:

- Operate and maintain a variety of hand and power tools used in the work.
- Accurately read meters, gauges, valve books, blueprints, and schematic drawings.
- Maintain accurate logs, records, and basic written records of work performed.
- Follow and apply written and oral work instructions.
- Effectively use computer systems, software applications relevant to work performed, and modern business equipment to perform a variety of work tasks.
- Communicate clearly and concisely, both orally and in writing, using appropriate English grammar and syntax.
- Establish, maintain, and foster positive and effective working relationships with those contacted in the course of work.

Experience:

Any combination of experience and education that provides the required knowledge and abilities is qualifying, along with the specific licenses/certifications as outlined below:

- No prior experience is required.

Education:

- Equivalent to completion of the twelfth (12th) grade.
Licenses/Certifications:

- A valid California driver's license and the ability to maintain insurability under the District's Vehicle Insurance Policy.

**PHYSICAL DEMANDS**

_The physical demands described here are representative of those that must be met by employees to successfully perform the essential functions of this class. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions._

Must possess mobility to work in a plant and field environment; strength, stamina, and mobility to perform medium to heavy physical work; to sit, stand, and walk on level, uneven, or slippery surfaces; frequently reach, twist, turn, kneel, bend, stoop, squat, crouch, grasp and make repetitive hand movement in the performance of daily duties; possible entry into confined spaces and the use of confined entry equipment, to climb and descend ladders, to operate varied hand and power tools and construction equipment, and to operate a motor vehicle and visit various District sites; and vision to inspect and operate equipment. The job involves fieldwork requiring frequent walking in operational areas to identify problems or hazards, which may include working on live electrical wires. Finger dexterity is needed to operate and repair tools and equipment. Employees must possess the ability to lift, carry, push, and pull materials and objects averaging a weight of 50 pounds or heavier weights, in all cases with the use of proper equipment and/or assistance from other staff.

**WORK ENVIRONMENT**

_The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this class. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions._

Employees work partially indoors and partially outdoors and are exposed to loud noise levels, cold and hot temperatures, inclement weather conditions, vibration, confining workspace, chemicals, mechanical and/or electrical hazards, and hazardous physical substances, odors, and fumes. Employees may interact with upset staff and/or public and private representatives in interpreting and enforcing departmental policies and procedures.
