**Subject: Upcoming EMWD Construction Near You – French Valley Recycled Water Pipeline, Phase II Project**

Dear Neighbor:

Eastern Municipal Water District (EMWD) is committed to being a good neighbor and keeping you informed about ongoing activity and construction in your area. For this reason, we would like to make you aware of a new project that will take place in your neighborhood.

EMWD will begin work on Phase II of the French Valley Recycled Water Pipeline Project by installing approximately 12,300 feet of pipe along several streets southeast of Winchester Road in the French Valley community. This work is part of a three-phase project necessary to expand EMWD's local water supply portfolio by converting key locations to recycled water for landscape irrigation purposes instead of using drinking water. Phase I of the Project was completed in 2018, and the project timeline and alignment for Phase III is still under review.

The estimated completion date for the project is Fall 2023. EMWD is working closely with the County of Riverside, Temecula Valley Unified School District, Valley-Wide Recreation and Park District, and surrounding stakeholders to keep community impacts to a minimum; more information can be found on the attached fact sheet.

EMWD appreciates your patience and understanding as we work to complete this important project. As part of our commitment to our customers, EMWD will keep you updated on the status of this work. You may visit [www.emwd.org/fvrwp](http://www.emwd.org/fvrwp) to sign up for e-notifications and to learn more.

If you have any questions regarding the specifics of the project, please contact me at (951) 928-3777, extension 4370 or by email at [ramireal@emwd.org](mailto:ramireal@emwd.org).

Sincerely,

Alma Ramirez  
Public Affairs Officer
