**SECTION 01026**  
**SCHEDULE OF VALUES**

**PART 1 - GENERAL**

1.01 SUMMARY

- A. Section Includes: Preparation, format, and submittal of Schedule of Values.
- B. The Schedule of Values will establish unit prices for individual items of work.
- C. The Schedule of Values will be the basis for payment of contract work and will be used to establish payment for any “extra work” i.e., work requested which is beyond the scope of the original contract.

1.02 PREPARATION

- A. Prepare satisfactory Schedule of Values identifying costs of items of work shown in sample included at the end of the Section.
- B. Assign unit prices to items of work and calculate total prices, which aggregate the Contract Price. Base unit prices on costs associated with scheduled activities for each item of work. ***For any bid item broken down into unit prices, Contractor shall verify that the unit cost of the items are rounded to the nearest dollar.***

1.03 SUBMITTAL

- A. Submit preliminary Schedule of Values at the preconstruction meeting to the District for review and approval. DO NOT SUBMIT THE SCHEDULE OF VALUES WITH YOUR BID PACKAGE.
- B. Submit corrected Schedule of Values within ten (10) days upon receipt of reviewed or rejected Schedule of Values for approval by the District.
- C. Upon request, support prices with data which will substantiate their correctness.

**PART 2 - EXECUTION**

**2.01 SAMPLE SCHEDULE OF VALUES**

The following is a sample and acceptable form for Schedule of Values.

**The District may request additional detail as necessary to adequately represent the Scope of Work.** The contractor may provide an additional breakdown of any of the items listed below.  
**THE CONTRACTOR SHALL VERIFY ALL QUANTITIES AND ITEMS OF WORK PRIOR TO SUBMITTAL.**
