08/31/15	<p>E-01. This section of the specifications supplements that paragraph of the General Conditions of this specification entitled "Inspection and Testing of Materials".</p> <p>E. <u>Inspection of Materials Not Locally Produced.</u></p> <p>When the Contractor intends to purchase materials, fabricated products, or equipment from sources located more than 100 miles outside the geographical limits of EMWD's main office, the contractor will be responsible for the actual costs incurred for one inspector (EMWD staff or consultant employed by EMWD) to inspect the materials, equipment or process. Assume \$600/day per production day run. The actual cost shall include \$1,000/day for staff salary and the expenses incurred for airfare, vehicle rental, hotel, meals, etc. This approval shall be obtained before producing any material or equipment. The inspector shall judge the materials by the requirements of the plans and specifications. The Contractor shall forward reports required by the Engineer. No materials or equipment shall be shipped nor shall any processing, fabrication or treatment of such materials be done without proper inspection. Approval shall not relieve the Contractor of responsibility for complying with the contract requirements.</p>	1
