Eastern Municipal Water District

Re: Cal/OSHA Question #1

Weka, Inc was established in 1993 and never had to report an incident until 2014. Due to the lack of experience with reporting injuries due lost time, we called OSHA Friday afternoon asking what needed to be done. This call OSHA never recorded as an incident since a specific name was not given. We sent all the paperwork in on Monday as instructed via phone call Friday. Since OSHA did not record an individual being hurt on Friday they said we did not meet the reporting within 12 hour/immediately, Weka was assessed a $100.00 fine which was told they could not waive.

Sincerely,

Jared Himle
